DETAILS:

I. ORGANIZATIONAL STRUCTURE

A. Headquarters

The "National Renaissance Bulletin," Volume 19, Numbers 1, 2 and 3, January, February and March, 1968, reflects the headquarters of the National Renaissance Party (NRP) to be at 10 West 90th Street, New York, New York, Apartment 8, 4th Floor.

A characterization of the NRP is contained in the appendix attached hereto.

C. Objectives

On June 7, 1968, NY T-2 furnished a copy of a National Renaissance Bulletin dated January, 1968 captioned "An Urgent Request From James H. Madole To All Members and Supporters of the NRP", which reflects in part as follows:

"The National Renaissance Party won its greatest legal victory in July, 1967 at which time by a vote of 6 to 1, the New York State Supreme Court recognized the NRP as a legitimate political party with both the right to pursue ballot status and the right to utilize public buildings for mass rallies. Hundreds of our members in the New York - New Jersey area will recall the many times we have rented private halls and studios only to have the owners cancel our meeting and return our rental at the last minute...

NY 105-6112

JIM WAGNER

"...We held our first major indoor rally in the last four years at PS 169, in the heart of Yorkville, on December 8, 1967. Some one hundred faithful racial comrades attended this initial rally together with a mere four Jewish hecklers wearing Mashe Dyan eye patches. These idiots were promptly silenced and the meeting proceeded without any further disturbance with speeches by James Wagner, Commander of the Uniformed Security Echelon (SE), Richard Bayer, a dynamic new NRP speaker and myself James H. Madole, as National Director of the NRP...

MEMBERS OF SUBJECT ORGANIZATION

"...It is my intention to organize the American public into a potent force representing the interests of the white race in the United States...Now that our right to peaceably assemble has been enforced by the courts, I intend to hold at least one mass rally each month. I further intend to distribute, both through the mail and on the public streets at least 5,000 announcements of each rally! These flyers will also be recruiting leaflets so that recipients may fill out coupons to either join the party or its militant fighting arm, the Security Echelon!"

On March 1, 1968, JAMES H. MADOLE was interviewed by Special Agents (SAs) of the Federal Bureau of Investigation (FBI) [redacted] and JAMES D. BRODY at NRP Headquarters, New York City. MADOLE stated in part, he will continue his activities as in the past such as distribution of NRP literature, street rallies, counter-demonstrations etcetera, as long as he feels that he can act as an effective counter-measure to "communist and communist inspired activities".

He stated there is no question in his mind that the current JOHNSON administration is playing right into the hands of the United States enemies with its continued policies of operations in Vietnam. The American people according to MADOLE are "fed up and disillusioned with heavy tax burdens to support the 'Welfare state' in this country". He does not have to exert himself to gain support and members for the NRP because the continued lack of confidence the people show in the JOHNSON administration and what it stands for plays right into his hands. He merely has to sit by and wait until the day dawns when the NRP philosophy of less government control of business, proper waging of the Vietnam war and return of America to the prominent position it deserves in this world is achieved.

NY 105-6112

MADOLE said the white people of this country are becoming increasingly alarmed over the cries "Black Power" and violent exhortations of such individuals as RAP BROWN and STOKLEY CARMICHAEL. The people who built this country are not going to sit back and watch it being destroyed by irresponsible black hoards.

He concluded by stating that he is certain his organization the NRP will grow in membership and importance and in future years will become a decisive political power in this country, attracting those individuals who have become disillusioned with the socialist theories adopted by both major political parties. According to MADOLE the NRP will be the only organization of a political nature offering a choice to the voter.

The masthead of the "National Renaissance Bulletin," supra, reflects the NRP to be "a political party devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice".

D. Membership

Membership in the NRP is granted upon the payment of \$1.00 for which a membership card is issued.

Membership in the SE is gained after making out an application, signing a loyalty oath and being sworn in.

NY T-1
September 20, 1968.

The "National Renaissance Bulletin," Volume 19, page 9, reflects "A Vital Message To All Members Of The National Renaissance Party".

NY 105-6112

"The members of the NRP's SECURITY ECHELON (the party's uniformed White Militia) have been distributing thousands of informative leaflets in such areas of New York City as Ridgewood, Glendale, Pelham Bay, South Ferry, Yorkville, and Little Slovakia as well as carrying out their duty as banner bearers and guards at outdoor and indoor rallies of the party. Many young men and women has filed applications to join this militant organization but they balk at coming to party headquarters for an interview with party officers. Obviously we must meet potential SE members since they are destined to be advanced in the movement as party activists.

"It is only necessary for these people to visit Mr. Madole, our Leader, on a THURSDAY EVENING of any week at 7:30 PM, at 10 West 90th Street, New York City, (Apt. #8, 4th Floor). There are no squads of thugs or armed guards standing about with billy clubs as some timorous souls told us they expected.

"Upon arrival you will be treated to a pleasant, sociable evening with like-minded people and refreshments will be served. This is an open invitation to those who would like to make inquiry about joining the SE or helping advance the party's work to JOIN US ON ANY THURSDAY EVENING."

A leaflet being distributed in New York City, during March, 1968 was captioned "Are You Rugged Enough?" This leaflet reflected in part "The National Renaissance Party, which has the reputation of a direct action organization rather than a debating society or a right-wing letter writers club, is addressing this recruitment leaflet to every

physically fit white American between the ages of 16 and 40. The SE or Uniformed Section of the NRP, is being organized to defend white neighborhoods from rampaging Black Mobs and to counter-act the hoards of filthy Jewish beatniks, sexual deviates and communist organizers whose 'peace parades' in all major American cities are stabbing our heroic fighters in Vietnam between the shoulder blades...

"...Only uniformed masses of young WHITE PATRIOTS can hope to achieve the unity of purpose to force our politicians to mend their traitorous ways. Apply for an interview to join the Security Echelon of the NRP. Our leader James H. Madole calls on you to forget useless conservatism and heed the call of blood and race".

This leaflet contained an application to be submitted in which the individual could indicate his interest in joining the SE and "fighting actively for the white race or to join the SE and become a non-uniform wearing member of the NRP".

II. LOCAL CHAPTERS MEMBER OF SUBJECT ORGANIZATION

On May 21, 1968, it was learned that LEWIS B. MOSTACCIO and [REDACTED] have been instructed to form a chapter of the NRP on Staten Island, New York.

MADOLE, his mother, and MOSTACCIO, got into an argument which ended with MOSTACCIO telling Mrs. MADOLE to "shut up" and "your full of it."

NRP school meetings were held at PS 169, 113 East 87th Street, New York City, on February 2, March 22, April 26, and June 14, 1968. The activities which took place at these meetings are as follows:

On February 2, 1968, JAMES WAGNER, the Chairman, spoke about the SE, stating that ~~they~~ are good white Americans who do not want drug addicts or hippies. The main purpose of the SE is to get out in the streets and get word to people about how the Negroes and Jews are ruining America and if it is to be saved, white men must stick together.

NU
VA
DICK BAYER stated that the Jews do not want the Vietnam war to end because they would lose billions of dollars a year in Government contracts. The third speaker, CURTIS ~~BRUEN~~, stated "there is no such thing as a Jew." They are Nomads who stole land from the Arabs and call it Israel. They are a bunch of long nosed, kinky hair, ugly creatures."

During MADOLE's speech, he stated he respects North Vietnam because they are fighting for their own land. We had no right or reason to be there in the first place. He does not expect the black man to fight for America just as black men could not expect white men to fight for Africa. The Negroes obviously do not love America and would be better off in Africa where he belongs.

NY 105-6112

A woman in the audience stood up and denounced MADOLE as one who was against the American Indian. She said MADOLE did not give a damn about America. While she shouted, MADOLE smiled and said "I don't hear anything. Some people have big mouths, but I don't hear nothin."

NY 105-6112

On March 25, 1968, NY T-6 advised that before the meeting at PS 169 on March 22, 1968, approximately 140 Jewish War Veterans milled around the entrance to discourage people from entering the meeting. The audience consisted of approximately 40 persons. The meeting began at 7:30 pm, and lasted until 10:00 pm. JAMES MADOLE stated during his speech that the government wants employers to hire unskilled Negroes and fire skilled whites. Police forces are being handcuffed so they are not allowed to stop riots by "lawless Blacks". Jews want control of the world finances and are using Negroes for this end. Negroes, however, will kill the Jews first when they try to take over.

On March 23, 1968, NY T-3 advised at the above meeting the Jewish War Veterans left shortly after MADOLE started speaking. During MADOLE's speech, he spoke against Jewish organizations which control this country, and criticized the United States (US) Government for policies dictated by such organizations which policies can only serve to destroy the position of the US as a world power.

On March 25, 1968, NY T-7 advised that at the above school meeting National Broadcasting Company (NBC) Television crews were on the scene and a very drunk unknown man demanded that the television crews stop taking photographs of the Jewish people in the audience. The man was arrested when he struggled with members of the New York City Police Department (NYCPD) who attempted to eject him from the hall.

On March 27, 1967, [redacted] Bureau of Special Services (BSS, NYCPD) advised that the man arrested at the NRP meeting at PS 169 on March 22, 1968, was [redacted] age [redacted] residence [redacted] was charged with disturbing the peace and is not known to be a member of the NRP.

NY 105-6112

On April 26, 1968, NY T-6 advised that at the school meeting that date which began at 7:30 pm, and ended at 10:15 pm, approximately 60 persons were in the audience. JAMES MADOLE spoke about the responsibility of all young white men to join the SE and fight Communism and for the white race.

The Chairman of the meeting was JAMES WAGNER who did not speak.

DICK BAYER did not speak because there were four Jews in the audience who kept yelling at him and he spent his time attempting to answer them. He called the Jews traitors and Communists, stating they have only one God - money, and have loyalty to one country - Israel. They have no need for Negroes and use Negroes to help obtain power in the government.

During the speech by MADOLE he stated that no country on earth will tolerate the Jews the way the US does.

If Negroes could take over they would kill off the Jews faster than anyone because they know the Jews are responsible for the sorry state the Negro is in. He said the Jews use Negroes to create riots which enable Jews to come to power by promising the Negro more money, jobs, and welfare if Jews are elected to office.

On April 29, 1968, NY T-8 advised that at the school meeting on April 26, 1968, there were numerous arguments among the audience. During the speech by MADOLE he stated that MARTIN LUTHER KING was a Communist. Jewish publications were responsible for the "no win war". Jewish leaders such as BENJAMIN SPOCK were responsible for defection of American soldiers because of agitation on the home front.

NY 105-6112

On June 14, 1968, NY T-6 advised that at the school meeting that day, the audience consisted of approximately 40 persons for the meeting which lasted from 8:00 pm, to 10:00 pm. Speaker number one was JIM WAGNER who tried to speak about the SE. The second speaker, JAMES MADOLE, tried to speak about Jewish influences on the world and the nation. LOUIS MOSTACCIO tried to speak about how the white race must stand up and fight for itself.

About 15 Jewish youths led by a "Jewish lawyer" made so much noise they drowned out the speakers.

~~NY~~ X The lawyer tried to take a photograph of LUKE DOMMER who knocked the camera out of her hand. She ordered a policeman to arrest DOMMER on an assault charge. DOMMER requested the policeman to arrest her on an invasion of privacy charge. Both were taken to the police precinct. Later they appeared back at the meeting.

On June 17, 1968, NY T-9 advised that at the school meeting on June 14, 1968, there were approximately 50 persons present which included 20 NRP supporters and 30 hecklers. The entire meeting seemed to be a shouting match between the supporters and the hecklers, with most of the supporters hurling anti-Semitic comments, and the audience responding with similar anti-Nazi remarks. Approximately 10 New York City Policemen were present throughout the meeting to maintain order. Among those present was GORDON HALL, a free-lance reporter who follows the activities of extreme Right-Wing and Left-Wing groups.

MADOLE announced that the next NRP school meeting would probably be held in late September, 1968, when the public schools reopen in New York City.

D. NRP Outdoor Rallies

The NRP announced they would hold rallies in New York City, on August 3, and September 7, 1968. The following events transpired at these rallies:

NY 105-6112

On August 1, 1968, NY T-6 furnished a flyer announcing the NRP was sponsoring an open air "White Power" rally on August 3, 1968, at York Avenue and 84th Street, New York, New York, between 7:00 pm, and 10:00 pm.

On August 5, 1968, NY T-6 advised that approximately 10 NRP members were assembled on the corner of 84th Street and York Avenue in connection with the rally scheduled to be held on August 3, 1968.

At approximately 6:50 pm, the rented sound truck pulled up to the location and stopped. The driver looked at the crowd of approximately 200 spectators, the police barricades and approximately 50 police officers; without making contact with JAMES MADOLE or any other NRP member the driver drove the truck away.

MADOLE upon seeing the sound truck depart, called off the street meeting.

On September 9, 1968, NY T-3 advised that the NRP had a rally at 86th Street and Second Avenue, New York City, on September 7, 1968, from 8:00 pm, to 10:00 pm.

The principal speaker at the rally was JAMES MADOLE who delivered his usual anti-Semitic diatribe. He received little attention except that he was pelted with eggs by some of the onlookers.

E. Literature Distribution

Literature distribution by members of the NRP took place in New York City, on the corners of 86th Street and Third Avenue, 86th Street and Lexington Avenue, Battery Park, and the Coliseum.

On June 10, 1968, NY T-6 advised that on June 8, 1968, 2,000 invitations were distributed at 86th Street and Lexington Avenue, for the school meeting to be held June 14, 1968.

On June 24, 1968, and July 1, 1968, NY T-6 advised that SE recruitment literature was passed out at Battery Park on June 22 and June 29, 1968.

On July 31, 1968, NY T-6 advised that literature was distributed on July 26, 1968, announcing the NRP rally to be held on August 3, 1968.

F. NRP Counter-Demonstration

On April 29, 1968, NY T-8 advised that on April 27, 1968, the NRP counter-picketed a peace parade which was held on Fifth Avenue between 92nd and 72nd Streets. Nine NRP members were on the corner of 86th Street and Fifth

NY 105-6112

Avenue where they held posters including "Keep White Power or America Will Die", "Karl Marx was a Jew", "Zionist is same as Communist", "NRP Supports Wallace for President".

G. Attendance at Right-Wing Convention
April 20 - 21, 1968

On April 23, 1968, NY T-6 advised that a meeting of Right-Wing organizations was held at the Continental Hotel, Washington, D.C., on April 20-21, 1968, which was sponsored by the White Party of America under the name of the Assembly of Racists Movement.

The object of the meeting was to consolidate the forces of the various Right-Wing groups throughout the country in order to fight the Jewish and Negro problems existing in the country today.

Some of the ideas proposed were the exchange of speakers and advertising with a list of Right-Wing organizations and immediate releases throughout the country of press releases concerning an issue that should be brought to the attention of the people of the US as soon as possible.

Four members of the NRP including JAMES H. MADOLE attended the convention.

IV. FINANCES

The primary source of revenue for the NRP is from the sale of NRP publications. There are no known benefactors currently supporting the NRP.

A QUESTION OF GRIM FATE FOR WHITE PEOPLE (AMERICA) - WILL AMERICAN POLITICIANS REGUARD YOUR LIVES, FAMILIES, AND POSSESSIONS AGAINST RAM-PAGING BLACK ANARCHISTS OR IS A STRONGER FORM OF GOVERNMENT NECESSARY FOR WHITE SURVIVAL ?

PHILADELPHIA, USA - 1964. This could be your city in flames.

By holding the threat of arson, looting, and mass insurrection over the heads of cowardly American politicians BLACK RADICALS have managed to extort billions of Dollars in the form of political blackmail from productive white taxpayers. Although the USA has become a virtual garrison state with vast armies of police and National Guard units, the effect is nullified by political prostitutes who emasculate our defense forces to gain favor with Black voters. Major General Archibald Sproul (the last commander of the 29th Infantry Division of Virginia and Maryland) resigned his National Guard commission with the following statement: "Our soldiers were not only told that they could not load their weapons, but they were told that they could not even use their rifles as clubs to protect themselves or stop looting." Police officers seeking to protect White urban dwellers have been censured or even placed on trial by petty political hacks for interfering with Black looters and arsonists! By means of "democracy" poor, stupid "Whitey" will vote himself out of existence unless strong leadership tears out the cancer of effeminate liberalism which is eating at the vitals of our national manhood. The National Renaissance Party offers solutions to 20th century American problems. Write for free information or subscribe to our "National Renaissance Bulletin", (\$ 3.00 per 12 issues).

NATIONAL RENAISSANCE PARTY SPONSORS "WHITE POWER" RALLY IN YORKVILLE
TO PROTEST THE ANTI-WHITE NEGOTRY OF PRESIDENT JOHNSON'S 'RIOT-COM-
MISSION'!

ATTEND THIS PATRIOTIC RALLY TO DEMAND "JOBS AND CIVIL RIGHTS" FOR THE
PRODUCTIVE WHITE ELEMENT IN AMERICAN SOCIETY !

The National Renaissance Party represents those White Americans who are fed up with
seeing our Police Force maligned and cursed by Black revolutionaries and the political
hacks (like New York City's "Hippie Mayor", John Lindsay, and Illinois Governor Kerner)
who are seeking Negro and Jewish votes at the expense of both the White taxpayers' pocket-
books and personal safety.

The program of racial integration in the fields of housing, education, and employment
demanded by LEJ's "Riot Control Commission" has led in the past to the complete
breakdown of the American educational system, the mass exodus of the productive White
population to suburbia leaving behind teeming masses of non-productive Black welfare and
relief cases, criminals, dope addicts, and rapists to terrorize the streets of all major
American cities. Those White children who cannot escape the big cities are forced into
daily contact with colored hoodlums whose deadly narcotics habits and low standards of
sexual morality rub off and eventually destroy the moral character of your White children.

We must teach our politicians that you cannot legislate equality between civilized Whites
and primitive Blacks ! The White population will not tolerate interference with Law
Enforcement Authorities by filthy political prostitutes who sell out their own racial
heritage in return for Negro and Jewish votes !

If you want to prevent further burning and looting in American Cities you must stand up
and be counted behind the NRP BANNER of "WHITE POWER".

Attend this rally or prepare to lie down and let the Blacks kill your family without any
resistance. Don't leave it to the other fellow !

DEFEND YOUR HOME NOW !

TIME AND PLACE OF NRP RALLY IN YORKVILLE:

We urge every red-blooded American patriot who receives this notice to attend the

THE WHITE POWER PARTY DEMANDS THAT COMMUNIST AMERICAN POLITICIANS GIVE THE REDS SHOT TO THE POLICE AND NATIONAL GUARDSMEN TO SHOOT TO KILL IN QUELLING BLACK REBELLIONS IN AMERICAN CITIES!
WHITE AMERICANS MUST STOP APPEASING BLACK TERRORISTS AND ORGANIZE TO DEFEND THEIR LIVES AND POSSESSIONS!

The American government has proven itself totally incompetent to handle the rampaging mobs of Negroes who are hell-bent on looting, burning, and killing throughout the length and breadth of the United States. These political hacks, whose only concern is Jewish and Jewish votes, have ordered both Police and National Guardsmen to stand by while looting, pillage stores in Harlem, Chicago, and Washington, D. C.. Thus Black savages know the one blackmail "Whitey" simply by resorting to armed violence and unbridled terrorism. The stupid White liberals even fly the American flag at half mast because Martin Luther King, a Black agitator who was enrolled in the Communist Highlander Folk School in Knoxville, Tennessee, was finally gunned down by an enraged White man!

We wonder if American patriots have noticed that Jewish leaders such as Dr. Benjamin Spock, who are directly responsible for the betrayal of our soldiers in Vietnam by their subversive agitation on the home front demanding peace at any price with Communist North Vietnam, were among the first to demand immediate American intervention to protect Israel against the Arab States? Thus Blacks are rewarded for their acts of insurrection by giving them billions of dollars collected from White taxpayers and now American soldiers are being ordered to take jobs from Whites and give them to unqualified Blacks! How much longer will stupid "Whitey" support a government which enslaves him to Jew and Blacks?

TIME AND PLACE OF THE NRP RALLY IN YONKAVILLE:

We urge every American who is fed up with hearing sob stories about poor, defenseless Negroes and who wants to hear someone demand some "CIVIL RIGHTS" for the poor, tax-paying, White majority to attend this NRP Rally on:

FRIDAY EVENING, APRIL 26th (between 7 PM and 10 PM)

In the AUDITORIUM of PUBLIC SCHOOL 189

113 East 37th Street, New York City (between Park & Lexington Aves.)

Doors open at 7 PM and the meeting commences promptly at 7:30 PM.

Incidents seeking to distract the speakers will be prosecuted for disorderly conduct!

ORATORS WILL BE:

- 1) James E. Madole, Leader of the NRP, speaks on, "America, White Supremacy of the World."
- 2) James Wagner, Commander of the NRP uniformed section or "WHITE MILITIA."
- 3) Louis Blackwood, Group Leader of the NRP uniformed section, will speak on "The Monroe Of The Black Revolution In America".

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

APPENDIX

NATIONAL RENAISSANCE PARTY

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that NSRP is composed of past members of the Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

On August 4, 1965, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt", is the individual who actually controls the NSRP.

Issue No. 72, dated November, 1965, of "The Thunderbolt" reflects Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as Editor of "The Thunderbolt".

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

WHITE PARTY OF AMERICA

On September 16, 1965, KARL ROGERS ALLEN, JR., who identified himself as the leader of the White Party of America (WPA), advised that he, along with several other former members of the American Nazi Party (ANP), formed the WPA during the early part of 1964, in order to advance the cause of the white man in the United States and eventually throughout the world.

This organization was officially launched on April 11, 1964, when it sponsored picketing in Washington, D.C., Richmond, Virginia, and Baltimore, Maryland, in opposition to civil rights legislation and civil rights demonstrations. Its national headquarters was transferred from 1216 New York Avenue, N.W., Washington, D.C., to 1019 King Street, Alexandria, Virginia, on April 1, 1965.

It was initially the aim of the WPA to sponsor picketings and demonstrations where it was believed such would be of value and to publicize its program through pamphlets and similar media. The WPA has been inactive due to a lack of funds and its only publications to date have been the April and May, 1964, issues of its official publications, "The White Letter."

He added that the WPA is still in the formative stage but it will uphold the Constitution of the United States and will always act within the limits of the law. He noted that the WPA will serve as a "home for people who want to preserve the white race" and cannot find a home for themselves in either of the major political parties in the United States.

A characterization of the National Socialist White People's Party, also known as the American Nazi Party, is set out separately.

Are you rugged enough?

The National Renaissance Party which has the reputation of a direct action organization rather than a debating society or a right-wing letter writers club is addressing this recruitment leaflet to every physically fit White American between the ages of 16 and 40. The Security Echelon (SE) or uniformed section of the NRP is being organized to defend White neighborhoods from rampaging Black Mobs and to counteract the hordes of filthy Jewish Beatniks, sexual deviates, and Communist organizers whose "PEACE PARADES" in all major American cities are stabbing our heroic fighters in Vietnam between the shoulderblades.

The John Birch Society will not free America from these marching hordes of malcontents by writing letters to their Congressmen which are promptly filed in the waste paper basket or answered by form letters. The Conservatives and Billy James Hargis will not pray these marching columns of American Reds out of existence. NEARLY HALF THE WORLD HAS FALLEN UNDER THE RED BANNER AND STILL THESE NINCOMPOOPS KEEP HOLLERING OUT THEIR PRAYERS INTERSPERSED WITH FUND RAISING APPEALS.

Our elected officials will only pay heed to their right-wing constituents when they see the blood-crusted hordes of Black revolutionaries which have spread a reign of fear and terror in Los Angeles, Chicago, Cleveland, Philadelphia, Rochester etc. BEATEN INTO THE GROUND BY THOUSANDS OF EQUALLY FANATICAL YOUNG WHITE MEN IN THE GRAY, BLACK, AND GOLD UNIFORMS OF A MILITANT WHITE MAN'S PARTY. When Stokely Carmichael, Martin Luther King, Bayard Rustin, and their fanatical disciples who shriek "BURN BABY BURN" and LET'S KILL WHITES are driven back into their primitive BLACK environment by infuriated thousands of White youngsters shouting the rallying cry of "WHITE POWER" then American politicians will stop licking the boots of their Jewish taskmasters and help the NATIONAL RENAISSANCE PARTY to build a White Man's empire from the Arctic Ocean to the Gulf of Mexico.

Only uniformed masses of young WHITE PATRIOTS can hope to achieve the unity of purpose to force our politicians to mend their traitorous ways. Apply for an interview to join the Security Echelon of the NRP. Our Leader, Mr. James H. Madole, calls on you to forget useless Conservatism and heed the call of BLOOD and RACE.

NATIONAL RENAISSANCE PARTY (NRP)

On July 20, 1967, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of July 28, 1966, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.
2. Enact legislation to prohibit intermarriage between white and non-whites.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

**NATIONAL RENAISSANCE PARTY SPONSORS "WHITE POWER" RALLY IN YORKVILLE
TO PROTEST GOVERNMENT APPEASEMENT OF MILITANT RACIAL MINORITIES**

We should like to ask a few simple questions of the average White working man in the United States, the ordinary fellow whose White European ancestors settled our land and carved an empire out of the wilderness, fought for naked survival against hostile Indian tribes, and erected by his blood and sweat the mighty industrial, scientific, and technological structure which enabled the first heroic astronauts to circle the Earth's moon thus opening a New Frontier in the Space Age.

Have you bothered to notice that your White youth (the seed bed of America's future), under the tutelage of Al Shanker's 85% Jewish United Federation of Teachers, have been taught to rebel against and despise their own racial heritage whereas young Jews and Negroes have been imbued with fanatical racial pride and hatred against the White man's institutions and modes of thought? White children are losing all sense of racial identity while Jews and Blacks have taken over the reins of government, public education, and all media of communication with the American public! As a White man can you support President Nixon's program of "BLACK CAPITALISM" which seeks to employ millions of young Negroes within the framework of the American business structure as a bribe to curtail Black revolutionary activities in our major cities? REMEMBER, FOR EVERY BLACK MAN HIRED, A WHITE MAN MUST BE FIRED because the number of jobs are strictly limited. Do you object to having your pocket emptied through excessive taxation so that your president, cabinet members, and Congressmen can double their salaries by unanimous vote and pour millions of dollars into "anti-poverty" agencies whose Negro and Jewish officials live like decadent Roman Emperors on your hard-earned dollars?

TIME AND PLACE OF THE NRP "WHITE POWER" RALLY IN YORKVILLE:

If you, as a White American taxpayer, are fed up with campus riots, anarchy in the public streets, and the squandering of your hard-earned tax dollars on graft-ridden politicians and Negro derelicts living on relief money ATTEND THIS NRP RALLY ON:

FRIDAY EVENING, FEBRUARY 7th (between 7 PM & 10 PM)
In the Auditorium of PUBLIC SCHOOL 169
113 East 87th Street, New York City, (between Park & Lexington Aves.)

Doors open at 7 PM, and "WHITE POWER" Rally commences promptly at 7:30 PM.

SPEAKERS WILL BE:

James H. Madole, Leader of the NRP
Richard Bayer, A dynamic NRP speaker will discuss "Nixon & the race question"
Louis Mostaccio, A fiery member of the NRP WHITE DEFENSE CORPS.
Curtis Bruen, An NRP speaker from Virginia.

NATIONAL RENAISSANCE PARTY

On February 5, 1969, a confidential source furnished a leaflet announcing the National Renaissance Party (NRP) would hold a "White Power" Rally at Public School 169, 113 East 87th Street, on February 7, 1969, from 7:00 - 10:00 p.m. A xerox copy is attached hereto.

On February 12, 1969, [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that the speakers at the rally were Douglas Kaye, Richard Bayer, James Madole, and Louis Mostaccio. Curtis Bruen acted as Master of Ceremonies.

In addition to the speakers, the following current or former NRP members were present at the rally:

Grace Madole
Dave O'Donnell

[redacted] further advised the speeches were the customary anti-Semitic, anti-Negro speeches which are given at all NRP rallies.

Curtis Bruen opened the rally by stating that since they couldn't play the National Anthem he was reading a passage from Revelations.

Bruen introduced each speaker prior to their appearance.

N.Y. During the speeches there was a constant exchange of remarks between the speakers and Henry Neusslein and ~~Tammy Benany~~ in the audience, which at times were boisterous and vulgar.

A second confidential source advised on February 13, 1969, that the rally was attended by 60-70 persons including Henry Neusslein, a former NRP member who was expelled from the NRP.

After the opening remark by Bruen, he introduced Douglas Kaye. Kaye spoke about school busing, Biafra, integrated sex films, slavery and the black revolution. He stated the "Jews" are responsible for school busing and the Biafra question. They control integrated sex films and the black revolution and started slavery.

Louis Mostaccio became so emotionally worked up during his anti-Semitic speech that he became hoarse and then totally incoherent.

James Madole directed his opening remarks to Henry Neusslein, calling Neusslein a "filthy hippy pig." He then stated that ~~Ed Cassidy~~, a former NRP member, was a N.Y. "good guy" and it was "too bad" Cassidy got involved with drugs which resulted in his being in Bellevue Hospital for skin grafting after being burned in a fire. Neusslein yelled at Madole, "that's how much you know! He's out."

Madole then stated the "Jews" sell and control pornographic literature. He stated they control the United Nations and the United States (U. S.), which, according to Madole, should be changed by white Christians.

Richard Bayer spoke about President Nixon stating that he supports the "Jews" and will side with them against the Arabs. He stated the "Jews" have one last refuge, the U. S., and sooner or later the U. S. will throw them out. He also stated the "Jews" use the Negroes for their own means.

B. School Meetings

On September 19, 1968, MADOLE announced no school meeting would be held during October, 1968, due to the fact that he has been asked by several subscribers to the National Renaissance Bulletin why they have not received any copies in the last few months.

NY 105-6112

He said he would use the money for the school meeting to publish two copies of the bulletin and school meetings will probably start again in November.

NY T-1
September 23, 1968

MADOLE stated he wanted to hold a school meeting in December, but that the school strike would prevent him from doing so as it is still on at that time. He said, "New York ~~Hope~~ Mayor," can't even end a strike started by a, "hooked nose Jew (ALBERT SHANKER)."

NY T-1

NY T-1
February 28, 1969

On February 16, 1969, MADOLE stated that the meeting was not as successful as it could have been. He said the main reason for this is the fact that the hecklers do not let everyone hear what the speakers had to say. He indicated that this will be changed at the next meeting on April 18, at the Right Wing Convention. There will be a public address system set up which will be used at all future school and street meetings of the NRP.

E. Other NRP Chapter Activities

On October 4, 1968, NY T-2 advised that the Staten Island Chapter of the NRP held two meetings during the month. One was held in [redacted]

[redacted] Those present were [redacted] and [redacted] NY

The other meeting was held in [redacted] home. This meeting was attended by [redacted] LOUIE MOSTACCIO, [redacted] NY

On October 14, 1968, NY T-2 advised that [redacted] in the Jewish War Veterans, telephone [redacted] is considering the possibility of furnishing the NRP Chapter on Staten Island with office equipment and/or \$1500. NEW YORK

[redacted] stated he will bring the matter of support for the NRP before the full board of officers for their decision during the week of October 14-18, 1968. MADOLE is considering the feasibility of this offer inasmuch as the Jewish War Veterans want to have one of their members accepted into the NRP Chapter.

On November 5, 1968, NY T-2 advised he learned that [redacted] and LOUIE MOSTACCIO of the NRP have had conversations pertaining to a more militant operation than is presently being waged by MADOLE as head of the NRP. LOUIE is willing and ready but a little hesitant due to the fact [redacted] has not produced as LOUIE expected in the past.

On December 8, 1968, it was learned that [redacted] of the Staten Island NRP Chapter had two meetings with JAMES H. MADOLE. The first concerned [redacted] the Security Echelon.

NRP (NATIONAL RENAISSANCE PARTY)

NY 105-6112

~~NY~~ The second meeting pertained to the introduction of [redacted] to JAMES MADOLE. It was decided that the NRP will hold a rally the third week of January, 1969. [redacted] will be one of the guest speakers. It was also decided to open an office on Staten Island. MADOLE stated that he will ask the governing board to finance this operation.

LECTURER FOR STATEN ISLAND NRP CHAPTER

NY T-2
December 10, 1968

~~NY~~ On December 10, 1968, NY T-2 advised a special meeting will be held on December 15, 1968, at the NRP Headquarters for the purpose of introducing [redacted] to [redacted] of the White underground paper, "Trud". It seems that [redacted] is a very close friend to a woman in Union, New Jersey, who wants to start a NRP Chapter. It will be arranged for [redacted] to help her set up this operation. [redacted] is also arranging for, "Trud" to do a story on [redacted] who is a lecturer for the Staten Island NRP Chapter.

On January 13, 1969, NY T-2 advised it was learned that JAMES MADOLE is very concerned about the lack of members in the NRP. Some members have voiced their dislike for his lack of luster leadership and are looking for a more active group to join.

MADOLE is also concerned about a new Staten Island group which says it supports MADOLE, but MADOLE is not convinced of this, although a large contingent is expected to support MADOLE at the NRP rally scheduled for February 7, 1969.

It was learned that the Staten Island NRP members will attempt to take over the leadership of the NRP from JAMES MADOLE during the rally on February 7, 1969.

NY T-2
January 31, 1969

NY 105-6112

On February 17, 1969, NY T-2 advised the following suggestions will be submitted to JAMES MADOLE, at the meeting to be held February 17, 1969, at 10 West 90th Street, New York City.

The uniform of black pants and white shirts is satisfactory but a hat and colorful arm bands should be added not only to add color to the rallies but to the morale booster to the security section.

Flags should be set in racks and not held by members of the Security section. The members arms should be loose and ready for defense of MADOLE and other speakers which will be for a short period of time as there are always police on hand.

A good sound system must be purchased and used at all rallies even in small rooms.

All speeches of guest speakers should be submitted one week in advance of all rallies so that they can be reviewed by Mr. MADOLE. At the rally of February 7, there were too many contradictions which left the NRP open for criticism from the Hippies who were able to get their point across on many occasions.

NRP members should be scattered throughout the audience to be in a better position to ask set questions and to shout down the opposition.

Although we may lose our right to speak in city schools, a fight should be staged with the Hippie element while the press is available. If the city did try to take this privilege away, a good court fight could follow which would give the party millions of dollars in publicity and could result in a great rise in membership.

The NRP must start taking a more militant stand.

NY 105-6112

III. FINANCES

The primary source of revenue for the NRP is from the sale of NRP publications. There are no known benefactors currently supporting the NRP.

NY T-1
April 1, 1969

IV. PUBLICATIONS

On September 25, 1968, MADOLE stated that there would be another National Renaissance Bulletin within the next two to three weeks. He stated he has received numerous complaints about the fact that there were no bulletins published for a few months. He stated that money for the bulletin was to have been used for school meetings. He stated that from now on he will try to publish one bulletin per month.

NY T-1
October 1, 1968

On September 30, 1968, the latest edition of the National Renaissance Bulletin was folded and several hundred copies were mailed all over the United States. Many were mailed to California. Several were mailed to colleges. The bulk of the addresses were in the New York, New Jersey area.

Some of the articles to appear therein are "The Sinister Facts Behind Dubcek's Czechoslovakian Fiasco." A story on the American Election and a new list of books for sale by the National Renaissance Party including "Nazi Culture".

NY 105-6112

On November 3, 1968, it was announced that the new issue of the bulletin would be off the press this week and could be mailed on Sunday. This issue contains an article on National Socialism and the story on Czechoslovakia.

NY T-1
November 18, 1968

On November 20, 1968, it was noticed that MADOLE took only two weeks to prepare the last bulletin. MADOLE stated that he was afraid he would lose monetary supporters of the organization if he did not send out the bulletins as they were due.

NY T-1
December 1, 1968

On December 8, 1968, MADOLE stated that the new issue of the bulletin contains a continuation of RICHARD BAYERS article on the Jews. He said that the article on the Jews will encompass several more issues. MADOLE stated that BAYERS has done a tremendous amount of research on the Jews and that he hates them so much he will do everything he can to bring to light how horrible they are.

NY T-1
December 15, 1968

Volume 10, numbers 7, 8 and 9, July, August and September, 1968, of the National Renaissance Bulletin contained an article entitled "RICHARD M. NIXON: A Living Personification of Reactionary Capitalism and Political Zionism, " which reflects in part as follows:

NY 105-6112

"...We regret to say that both liberal as well as anarchists ideological forces within America have been well protected by both Jewish 'defense groups' such as the anti-Defamation League of B'nai B'rith on the traditional 2-party system of Republicans and Democrats. These forces have come along way since 1950 when a hell-inspired program of Negro 'civil rights' aimed at both challenging and destroying civil and federal authority of the United States was inaugurated simultaneously by the clergymen of the National Council of Protestant Churches and the American Communist Party. 'Life Magazine' exposed this conspiracy some years ago by comparing the published programs of both organizations and proving them identical.

"...Let the patient investigator discover for himself who owns the 'flop houses', pawn shops, and cheap wine shops of the lower east side, Harlem, Chelsea, and other New York slum areas. Let him discover the racial background of the 'slum-lords' who prey on human misery with their vermin-infested rat traps. Be sure to examine the so-called 'centers of learning' where filthy Jewish Hippies and social misfits loot and destroy whenever the urge to 'speak out for freedom' comes over them. What are the names of these revolutionary anarchists and whom do they represent? Look at their names and see their demented eyes and bearded faces on your TV screen and you will understand why charges of 'anti-Semitism' are leveled by Jewish organizations at any timorous soul who dares to probe too deeply into the facts and names behind the disorder in our streets and college campuses.

"...In studying the campaign of RICHARD NIXON let us fully understand, without equivocation, that Mr. NIXON's primary commitment is to the Zionist Jews, both in Israel and the United States. In the 'American Examiner' for October 31, 1968, we find the following statement by 'Tricky Dicky': 'Israel must possess sufficient military power to deter an attack. As long as the threat of Arab attack remains direct and imminent, sufficient power means the balance must be tipped in favor of Israel'.

This excerpt was taken from a NIXON speech made September, 1968.

NY 105-6112

"...It is essential to our survival as a nation that white Americans must turn away from both 'Tricky Dicky' and his 'conservative Americanism' as well as the pro-Negro 'civil rights' program of HUBERT HUMPHREY's liberal democrats. It is a violation of fundamental natural law to seek equality between superior and inferior human breeds. Those who violate these laws suffer a fearful and a cursory examination of the freaks, sexual deviates, 'acid-heads' and chronic drunks staggering and cavorting about the streets of American cities will serve to illustrate the results of inflicting un-natural political, ethical, and religious doctrines upon the human psyche. We, of the National Renaissance Party, urge all white Americans to join us in building a political mass movement based on the philosophy of racial nationalism. Those who are building the NRP have created more than another political movement; they have combined the mystical teachings of beliefs older than either Christianity or Judaism with an understanding of the most recent discoveries of modern science and combined these discoveries with a thorough knowledge of economics, philosophy, and the art of governing the human race. By divorcing the members of the Party's inner circle from the humanitarian claptrap of modern liberal democracy we are laying the ground work for bringing into existence a superior type of human being designed to unite the white race and lead our people outward toward the stars."

V. MISCELLANEOUS

[REDACTED] "Ramparts" Magazine, Berkeley, California, has been contacted by the NRP and during discussions it was decided "Ramparts" may want to do an expose on the NRP.

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 23, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

The first source further advised that Madole's speech was completely anti-Semitic, anti-Negro and anti-Communist. NY

During his speech, Frankhouser stated that he was very surprised that the people of New York are not aware of the trouble caused here by the Communists and Negroes. His comments were primarily anti-Negro.

Douglas Kaye's comments were extremely anti-Semitic. During his speech he got into an argument with [redacted] which ended with Kaye stating, "You Jews are no good". b6 b7C

Tom Rooney told the audience that they should become aware that the Communists are taking over and overthrowing our government.

NY Bob Woodcock commented that he had spent six years in special forces fighting for his country and was proud of it, but wasn't proud of having done it for the likes of the hecklers.

The hecklers held up placards at various times during the speeches which read "Madole Is A Creep". Hecklers also took NRP literature off a table, ripped it up and made Nazi signs and Jewish symbols on the literature.

Schuyler D. Ferris, billed as one of the speakers, did not show up. NY

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

NATIONAL RENAISSANCE PARTY SPONSORS "WHITE POWER" CONVENTION IN NEW YORK CITY TO DEMAND THAT OUR AMERICAN POLITICIANS STOP ROBBING THE PRO-TECTIVE WHITE MAJORITY TO SUPPORT NEGRO RIOTERS AND JEWISH ANARCHISTS !

White Americans, are you fed up with paying enormous taxes to support welfare and "anti-ver-ty" agencies whose Negro and Jewish officials live in the style of decadent Roman emperors on the millions of dollars which disappear annually?
Are you tired of campus riots led by Mark Rudd and the bearded, unwashed Jewish anarchists the Students For A Democratic Society (SDS)?
Are you somewhat annoyed with a government which protects Black rioters who destroy your property, pillage your stores, and make it unsafe to walk through the parks or ride in the subways but always arrest, fire, or censure those police officers who seek to enforce LAW and ORDER?
Would you like to see the dope-crazed savages and pro-Marxist teachers removed from our American public school system so that your White children could receive a normal education once more?
In short, would you like to force our corrupt politicians to grant some "Civil Rights" for WHITES?

Time And Place Of NRP-Sponsored "WHITE POWER" Convention in New York City

Tri-ethnic, racial nationalist organizations from all parts of the United States will send dele-gates to attend this "WHITE POWER" Convention sponsored by the National Renaissance Party. We expect representatives from the Minutemen, the United Front Against Communism, the White Party of America, the American Friends of Rhodesia, the National States Rights Party, and many others.

"MINUTEMEN"

The "Minutemen" was organized in June, 1960. Its present headquarters are Norborne, Missouri. ROBERT B. DE PUGH, Norborne, Missouri, has been publicly identified as the founder and National Coordinator of the organization since its inception. Membership of the "Minutemen" is claimed by DE PUGH to be in excess of 35,000 members; however, confidential sources state this figure is greatly exaggerated and that a more true estimate would be between 500 and 1,000 members. Statement by DE PUGH and literature distributed by the organization indicate its purpose to be the resistance to, and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; to resist passage of laws which would regulate private ownership of firearms.

In April, 1966, DE PUGH stated the "Minutemen" organization was then dividing itself into two bodies: one group to be members who have been able to maintain their identity in complete secrecy from the public and government investigative agencies, and the other group to be made up of members who have been publicly identified and who will become active in the Patriotic Party. National conventions of the Patriotic Party were held in July, 1966, at Kansas City, Missouri, and July, 1967, at Kansas City, Kansas.

Members of the "Minutemen" organization, including ROBERT B. DE PUGH and his close associate, [REDACTED] have been arrested in the past on charges of violation of the Federal Firearms Act, Bank Robbery - Conspiracy, Illegal Possession of Firearms and Conspiracy to Commit Arson. They have also engaged in maneuvers utilizing guerrilla tactics wherein machine guns, mortars, grenades, and other firearms were employed.

APPENDIX

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

MADOLE was interviewed by Bureau Agents on 3/1/68, in NYC and was cooperative. He advised he was opposed to violence. Under MADOLE's leadership, the NRP has acted non-violently although NRP pickets often incite observers into violence towards the NRP due to the inflammatory nature of the NRP propaganda. MADOLE maintains contact with NYCPD and advises of his counter-demonstrations in advance to insure police protection.

MADOLE is described as follows:

During 1963, he was convicted of felonious assault of an NYC detective during an NRP rally. He has one other assault conviction in NYC and was charged with assault with a weapon in Alexandria, Va. In 1944, he was charged with the Illegal Wearing of an Army Uniform.

LOUIS MOSTACCIO is described as follows:

C. Objectives

Source advised that, in part, the January, 1968 edition of "National Renaissance Bulletin" reflects the objectives of the NRP. This bulletin, as applicable to NRP objectives, contains a statement by JAMES H. MADOLE which reads as follows:

"It is my intention to organize the American public into a potent force representing the interests of the white race in the United States... Now that our right to be able to assemble has been enforced by the courts, I intend to hold at least one mass rally each month. I further intend to distribute both through the mail and on the public streets at least 5,000 announcements to each rally. These fliers will also be recruiting leaflets so that recipients may fill out coupons to either join the party or its militant fighting arm, the Security Echelon."

NY T-1

D. Membership

No application form need be filled out for membership in the NRP. However, a new member will undergo a three-month probationary period following his initial entrance into the NRP. During this probationary period it is expected that the new member attend all demonstrations, pickets, literature distributions and other activities of the NRP. If a new member proves to be acceptable during this probationary period, he will be then sworn in as a member of the SE. Following this swearing in ceremony the new member will be furnished with an NRP membership card.

NY 105-6112

At the present time, there are approximately 15 to 20 active members of the NRP in the New York City area.

II. ACTIVITIES

A. Meetings

The NRP currently holds its general meetings on Sunday evenings at the residence of JAMES H. MADOLE, Apartment 8, 10 West 90th Street, New York City. The purpose of these meetings is to indoctrinate the newer members with the basic precepts of the NRP. Speeches are usually given by MADOLE which advocate anti-Semitic, anti-Negro, and neo-fascist lines.

These meetings also serve the purpose of informing all members present of future plans for NRP activities such as counter-demonstrations and literature distributions.

If a meeting of officers of the NRP is deemed necessary, a meeting is usually held on Thursday evening at the same location.

B. White Power Conference

The NRP held a "White Collar Conference" on April 18, 1969, from 7 to 10 p.m., at Public School 169, 113 East 87th Street, New York, New York. Approximately 105 persons were in attendance at this conference, including about 25 hecklers. JAMES MADOLE gave a speech which was particularly anti-Semitic, anti-Negro, and anti-Communist.

NY 105-6112

Other speeches were also given which emphasized the theme that trouble in New York City is caused by Communists and Negroes. It was further mentioned that Communists are taking over and overthrowing the United States Government.

NY T-1
April 22, 1969

C. Picket Lines and
Counter-Demonstrations

On May 1, 1969, the New York District Communist Party, United States of America, sponsored a "May Day Rally" at Union Square in New York City. The NRP sponsored a counter-demonstration to this rally and organized a picket line in the immediate vicinity of the New York District Communist Party.

Special Agents (SAs) of the Federal Bureau of Investigation (FBI) observed 12 NRP demonstrators carrying signs and banners, some of which bore the following inscriptions:

"Brotherhood is a Jew plot to destroy
the white race."

"GIs die while Jews get rich"

"Red Jews are behind Nigger riots"

"Smash the black revolt with white power"

NY 105-6112

The "New York Daily News", a newspaper published on a daily basis in New York City, contained an article in its June 2, 1969 edition which described a Jewish parade on Fifth Avenue in New York City on June 1, 1969. This parade was known as the "Fifth Annual Salute to Israel Parade".

This article went on to state that the marchers in this parade were heckled by members of the NRP, a neo-Nazi group. It mentioned that about a dozen members of the NRP picketed behind police barricades at 60th Street and Fifth Avenue. They carried a large red flag decorated with a black thunderbolt on a circular field of white.

On June 2, 1969, SAS of the FBI observed a mass public meeting held at Manhattan Center, 311 West 34th Street, New York, New York, under the sponsorship of the Fifth Avenue Vietnam Peace Parade Committee (FAVPPC), a New York City anti-war co-ordinating committee. Prior to the meeting the NRP held a picket line demonstration across the street from the Manhattan Center, consisting of approximately 15 individuals waving Nazi flags. This counter-demonstration began at 7:15 p.m. and ended at 8:30 p.m.

On June 21, 1969, the NRP set up a picket line across the street from a bookstore located at 42nd Street and Broadway, to protest the selling of pornographic literature. Eleven NRP members marched in the line and three members watched from across the street. After this picket line broke up all the NRP members went back to MADOLE's apartment where MADOLE congratulated them for their performance.

NY T-1
June 23, 1969

NY 105-6112

On June 25, 1969, a protest meeting against the Anti-Ballistic Missile system was held at the Felt Forum, Madison Square Garden, New York, New York. Various peace organizations in the New York City area attended this meeting.

A Special Agent (SA) of the FBI observed a counter-demonstration to this protest meeting held by the NRP on the West Side of 8th Avenue, opposite Felt Forum, Madison Square Garden. Eight NRP members attended this counter-demonstration.

On August 9, 1969, a peace demonstration-march began at 41st Street in New York City. The demonstrators marched past Times Square in New York City, where a counter-demonstration was observed by FBI personnel as being held in the vicinity of the Armed Forces Recruiting Station. This counter-demonstration was sponsored by the NRP and about ten individuals were participating. They carried signs reading as follows:

"Bomb Tel Aviv"

"White Collar"

"Kill Red Peace Creeps"

"Jews Must Go"

On December 9, 1969, SAS of the FBI observed ten NRP members convene at the Southwest corner of Park Avenue and 51st Street, New York, New York. These NRP members established a picket line at that location for the purpose of staging a counter-demonstration to a group of about 3,000 individuals engaged in anti-war demonstration in the same vicinity. The NRP marched in an orderly fashion carrying signs. Some of these signs read as follows:

NY 105-6112

"Racial Purity is American Security"

"Karl Marx Was a Jew"

"American Power Not Jew Power"

On March 12, 1970, SAS of the FBI observed a picket line being held by the NRP in front of the main Post Office, 8th Avenue and 33rd Street, New York City. Approximately 12 persons participated in this NRP picket line and carried an American flag, two thunderbolt flags and the following signs:

"America for Whites"

"America First"

"American Power Not Jew Power"

"Keep GIs Out of the Middle East"

On April 12, 1970, FBI personnel observed the NRP participate in a demonstration against the Soviet Mission to the United Nations located at 67th Street, between Lexington and Third Avenues. The NRP established a picket line at the southwest corner of 67th Street and Lexington Avenue. Approximately ten NRP members participated and they carried signs which were anti-Soviet Union, anti-Jewish, and anti-Communist in nature.

NY 105-6112

D. Literature Distribution

JAMES H. MADOLE usually does not participate in the picket lines at various NRP counter-demonstrations. Instead, MADOLE stands at the head of NRP's picket line and passes out NRP literature to bystanders and other people passing by.

On April 4, 1970, the NRP distributed its literature at the entrance to the New York Coliseum, Columbus Circle, New York, New York. An auto show was being conducted at the New York Coliseum at that time and numerous people were in attendance. In the space of one hour approximately ten members of the NRP passed out about 4,000 pieces of NRP literature to people in the immediate area.

Two members of the NRP who reside in the Hicksville, Long Island, New York area have been sporadically distributing literature at shopping center parking lots in the Hicksville area.

F. Other NRP Chapter Activities

Source advised that at the present time, MADOLE is attempting to organize the creation of NRP chapters in cities throughout the United States. He is currently preparing literature on NRP stationery for the purpose of advertising the program of the NRP. This literature is to be mailed throughout the United States to individuals who may be interested in starting their own NRP chapter. MADOLE plans to remain as the National Director of the NRP and maintain NRP Headquarters in New York City.

NY T-1
April 16, 1970

III. FINANCES

The major portion of income for the NRP comes from contributions from people receiving NRP literature.

As a further source of income, all members of the NRP who are gainfully employed are required to pay \$5 per month dues, and all members not employed pay \$1.00 per month dues.

IV. PUBLICATIONS

The "National Renaissance Bulletin" remains as the major publication of the NRP. This bulletin does not come out on a regular basis but is generally published about every three months. It is then mailed to all those on the NRP mailing list throughout the country.

The NRP currently has a mailing list which numbers about 4,000 people. MADOLE maintains this list at his residence, in the form of a series of three inch by five inch cards.

MADOLE has recently given NRP [redacted] the task of arranging for the NRP to obtain a mimeograph machine for the purpose of running off NRP bulletins and other literature. To the present date, [redacted] has not obtained any machine.

Sources furnished a copy of a throw-away which was obtained at a NRP meeting on April 5, 1970. This throw-away was being distributed by the NRP in the New York City area at its recent activities. In part this throw-away contained statements as follows:

"Anarchy, nihilism and Bolshevism are Jewish weapons to sabotage and destroy everything that is not Jewish."

NY 105-6112

"Jews are aware of their own vile, dirty, base and filthy low nature and that they suffer from that complex and they bring everyone else down to their sick level--hippies, yippies, creeps... encouraging others to dress like slobs and be dirty and revolting."

"Jews are moving towards a world government (one world) through the United Nations with the capitol to be in Israel."

"The Jews are the greatest threat to the world!"

On June 8, 1970, a source, who has furnished reliable information in the past, advised that the National Renaissance Party (NRP) held a street rally on June 6, 1970, at Second Avenue between 83rd Street and 84th Street, New York, New York. This rally commenced at approximately 6:45 P.M. and ended at 8:30 P.M.

A characterization of the NRP appears in the Appendix attached hereto.

This source stated that at 6:45 P.M. on the above date, fifteen members of the NRP convened on Second Avenue between 83rd and 84th Street where they erected a speaker's platform on the top of NRP member [redacted] station wagon. A public address system was also set up and speeches by NRP members began. Those NRP members speaking were James Madole, the founder and leader of the NRP, and Louis Mostaccio, [redacted] Source advised that all speeches were basically anti-Jewish and anti-Negro in nature. Other NRP members present stood around the base of the speaker's platform. One United States flag and two NRP flags, each carrying the insignia of the NRP symbol of a thunderbolt, were carried. Those members present also wore NRP armbands, which also bore the thunderbolt insignia.

This source further advised that at approximately 7:15 P.M. the public address system became defective and unable to be used by the speakers. This caused the street rally to be discontinued at a time earlier than anticipated.

Source further advised that during the course of this street rally, a group of approximately 300 people convened on the side of the street opposite the NRP speaker's platform. Most of these people observing the street rally heckled and jeered at the NRP members present. The New York City Police Department (NYCPD) had erected barricades around the speaker's platform for the purpose of preventing any physical violence by the NRP and those present who opposed the NRP. Source observed that the NYCPD removed three people from the immediate area of the street rally for their attempt to disrupt the NRP proceedings.

Following the conclusion of this street rally, the NRP members present were furnished a police escort back to NRP Headquarters at the residence of James Madole, 10 West 90th Street, Apartment 8, New York, New York.

A second source advised that at approximately 8 P.M. an individual named [redacted] of [redacted] attempted to engage in physical violence with the NRP during the course of the above street rally. This individual was placed under arrest by the NYCPD and charged with "disorderly conduct". [redacted] was the only person arrested during the course of the above street rally.

On June 15, 1970, a source, who has furnished reliable information in the past, advised that the National Renaissance Party (NRP) held a street rally on June 13, 1970, on Second Avenue in the vicinity of 84th Street, New York City, New York. This rally began at approximately 7:30 p.m. and lasted until 9:30 p.m.

A characterization of the NRP appears
in the Appendix attached hereto.

MEMBER OF SUBJECT ORGANIZATION

NY: Thirteen NRP members were present at this rally and NRP members, James Madole, Gregg Le Duc, David Kerr and Louis Mostaccio were the speakers at this rally. Source advised that their remarks were primarily anti-Negro and anti-Semitic. Madole is the founder and leader of the NRP, while Le Duc is currently the secretary of the NRP. The speakers at the rally had difficulty giving their speeches because the public address system had broken down. While the rally was taking place, two NRP members passed out NRP literature to a crowd of approximately 250 persons which had gathered to observe this NRP activity. Three other NRP members also circulated in this crowd during the course of the rally.

NATIONAL RENAISSANCE PARTY

On April 1, 1969, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, New York, New York, where weekly meetings and social gatherings are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated on July 28, 1966, that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 1, 1969, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

On June 20, 1970, a Special Agent (SA) of the Federal Bureau of Investigation (FBI) arrived at the intersection of 2nd Avenue and 84th Street, at approximately 6:45 p.m., where he observed nine National Renaissance Party (NRP) members setting up a speaker's platform and sound equipment for the purposes of having a street rally.

A characterization of the NRP
is attached in the Appendix hereto.

This speaker's platform was being erected on the roof of NRP member [redacted] station wagon. An American flag and a flag bearing the NRP insignia of a thunderbolt was flown on each side of the speaker's platform. NRP members not engaged in the erection of the speaker's platform began to pass out NRP literature, which contained statements that Jews are behind an internal revolution in America.

At approximately 7:10 p.m., NRP founder and President James Madole appeared on the platform and introduced the first speaker as "David Kerr, the Director of the NRP in the State of New Jersey." The next speaker was James Madole himself. He made specific comments which were anti-New York City Mayor John Lindsay; noted that six of the "Chicago Seven" defendants were Jewish; and verbally attacked the Weatherman faction of the Students for a Democratic Society (SDS) as being primarily Jewish in membership.

A characterization of the SDS is attached in the Appendix hereto.

After this speech, Madole introduced NRP member Louis Mostaccio as the next speaker. Mostaccio's speech was basically anti-Negro. He noted the presence of Negro prostitutes on the streets of New York City and made the statement that this situation is ruining society.

Madole returned to the platform following Mostaccio's speech for further anti-Semitic and anti-Negro remarks. However, this second speech by Madole was barely audible since a group of anti-NRP demonstrators, who had formed on 2nd Avenue approximately 75 feet south of the NRP platform, constantly blew whistles, played rock and roll music and made other noises in their attempt to drown out Madole's speech. Madole was heard to comment "You Jews playing nigger music are not going to stop my speech." Also, anti-NRP individuals drove by the NRP speaker's platform in cars and blew their horns in an attempt to disrupt Madole.

Madole then introduced NRP member David O'Donnell as the next speaker. He referred to O'Donnell as a "concerned young man." O'Donnell gave a short anti-Semitic speech. N.Y.

This street rally began to break-up at 9:20 p.m. By 9:35 p.m., the NRP had dismantled their equipment and had left the area in two cars.

1.PROGRESSIVE LABOR PARTY (PLP)

The "New York Times" city edition Tuesday, April 20, 1965, Page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP, which had been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962, by MILTON ROSEN and MORTIMER SCHEER after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City, May 31, to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's overall revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention, [redacted] was unanimously [redacted]

The PLP publishes "Progressive Labor", a bimonthly magazine; "World Revolution", a quarterly periodical; and "Challenge-Desafio", a monthly newspaper.

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York, New York.

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as presently regarded, came into being at a founding convention held June, 1962, at Port Huron, Michigan. From an initial posture of "participatory democracy" the line of the national leadership has revealed a growing Marxist-Leninist adherence which currently calls for the building of a revolutionary youth movement. Concurrently, the program of SDS has evolved from civil rights struggles to an anti-Vietnam war stance to an advocacy of a militant anti-imperialist position. China, Vietnam and Cuba are regarded as the leaders of worldwide struggles against United States imperialism whereas the Soviet Union is held to be revisionist and also imperialist.

At the June, 1969, SDS National Convention, Progressive Labor Party (PLP) forces in the organization were expelled. As a result, the National Office (NO) group maintained its National Headquarters at 1608 West Madison Street, Chicago, and the PLP faction set up headquarters in Cambridge, Massachusetts. This headquarters subsequently moved to Boston. Each group elected its own national officers, which include three national secretaries and a National Interim Committee of eight. Both the NO forces and the PLP forces claim to be the true SDS. Both groups also print their versions of "New Left Notes" which sets forth the line and the program of the particular faction. The NO version of "New Left Notes" was recently printed under the title "The Fire Next Time" to achieve a broader mass appeal.

Two major factions have developed internally within the NO group, namely, the Weatherman or Revolutionary Youth Movement (RYM) I faction, and the RYM II faction. Weatherman is action-oriented upholding CASTRO's position that the duty of revolutionaries is to make revolution. Weatherman is regarded by RYM II as an adventuristic, elitist faction which denies the historical role of the working class as the base for revolution. RYM II maintains that revolution, although desired, is not possible under present conditions, hence emphasizes organizing and raising the political consciousness of the working class upon whom they feel successful revolution depends. Although

disclaiming control and domination by the Communist Party, USA, leaders in these two factions have in the past proclaimed themselves to be communists and to follow the precepts of a Marxist-Leninist philosophy, along pro-Chinese communist lines.

A second source has advised that the PLP faction, which is more commonly known as the Worker Student Alliance, is dominated and controlled by members of the PLP, who are required to identify themselves with the pro-Chinese Marxist-Leninist philosophy of the PLP. They advocate that an alliance between workers and students is vital to the bringing about of a revolution in the United States.

SDS regions and university and college chapters, although operating under the outlines of the SDS National Constitution, are autonomous in nature and free to carry out independent policy reflective of local conditions. Because of this autonomy internal struggles reflecting the major factional interests of SDS have occurred at the chapter level since the beginning of the 1969-70 school year.

A characterization of the PLP is attached.

Preface

This is the fifth in a series of monographs devoted to white extremist organizations in the United States. Part I dealt with Klan organizations; Part II the National States Rights Party; Part III the Minutemen; and Part IV the National Socialist White People's Party.

22

SUMMARY

The rabidly anti-Semitic, anti-Negro, neo-Nazi National Renaissance Party (NRP), founded in 1949, is one of the oldest white extremist groups in the United States. It is the creation and one-man enterprise of James H. Madole, its National Director.

The Nazi ideology of Adolf Hitler has had an enormous influence on Madole and the NRP. Madole has hailed Hitler as "the George Washington of Europe" and called Germany "the gem of Europe."

The goal of the NRP is to establish a "Racial Nationalist State" governed by the "intellectual elite" in which white Christians would be supreme and from which the Jews and the Negroes would be excluded. The NRP blames the Jews for all the troubles besetting the Nation.

The NRP at one time had chapters in several other cities, but today the only functioning unit is the parent organization which meets in Madole's apartment in New York City. The NRP currently has approximately 20 members, plus some supporters and followers, virtually all of whom are located in the New York City area.

The NRP's principal activities consist of street corner rallies, picket lines, and distribution of literature. The Yorkville section of New York City, which has a heavy concentration of people of German extraction, is a favorite site for NRP rallies.

NRP picket lines have been established in New York City in the recent past to protest antiwar and antimilitary demonstrations, a pro-Israel parade, public functions of communist organizations, a showing of a film portraying the life of the late Latin-American revolutionary Ernesto "Che" Guevara, and a bookstore selling pornographic literature.

NRP printed propaganda is replete with excerpts from Hitler's "Mein Kampf," rehashes of Hitler's speeches, and anti-Semitic and racist statements. The NRP frequently disseminates literature published by other white hate groups, and it has also distributed quantities of pro-Arab propaganda material obtained from Arab establishments in New York City.

Madole is in contact with the leaders of a number of white extremist organizations throughout the United States and with neo-Nazis and anti-Semites abroad.

In its 21 years of existence, the NRP has never been an influential organization and today it can be regarded as nothing more than a public nuisance.

Outgrowth of High School Group

One of the oldest white extremist groups in the United States is the 21-year-old National Renaissance Party (NRP), the brainchild and one-man show of its National Director, James Harting Madole, of New York City. The rabidly anti-Semitic, anti-Negro, neo-Nazi NRP had its genesis in a group called the Animist Youth Corps which Madole formed while he was a student at Beacon High School in Beacon, New York, in the mid-1940's. (1)

Madole had developed a philosophy which he called "animism." His philosophy was based on "values of individual personality," "private enterprise," and "government by the intellectual elite." It opposed the "rule of the ignorant mass" and rejected the "liberal democratic line" as leading to a "mongrelization of the races." In short, Madole's animism envisioned the creation of a "scientific society" ruled by the best scientific minds. Madole's animism was once described as a strange, mystical combination of all the fascist, anti-Semitic, antidemocratic superstitions and myths that Adolf Hitler concocted, plus some new ones about science that Madole himself contributed. (2)

After Madole's graduation from Beacon High School in June, 1946, the Animist Youth Corps became known as the Animist Party although it existed only on paper and had no active members. Its motto was "The Ultimate Destiny of Man Lies in the Stars." During this period, Madole corresponded and conferred with other white extremists throughout the country--including Klan leaders--in the hope of forming one unified party, which never came about. (3)

Pro-Nazi Elements Formed Nucleus

In 1949, Madole launched his National Renaissance Party, composed mostly of elements from the defunct, anti-Semitic Christian Front and such old pro-Nazi organizations as the German-American Bund, the Citizens Protective League, and the Nationalist Action League. Two veteran New York City pro-Nazi propagandists of the 1930's and 1940's--Kurt Mertig and Daniel Kurts--became active leaders in the NRP. (4)

"Government by Intellectual Elite"

At the time of the NRP's formation, it was announced that the NRP would be "devoted to a renaissance of American culture and a resurrection of the American people. The philosophic doctrine of our party is known as Animism--a socio-political doctrine based on Alexander Hamilton's concept of an American Republic dominated and governed by the best minds of the nation or the intellectual elite. The present inroads of Communist theory in America are due solely to the false concept of democracy, which has permitted racial minority pressure groups to force their will on the political rabble in Washington...." (5)

Aim Is "Racial Nationalist State"

The goal of the NRP is to establish a "Racial Nationalist State." This would be accomplished by calling a constitutional convention to ratify the necessary amendments to the United States Constitution in order to implement the NRP program. (6)

The racial portion of this program would restrict American citizenship to members of the white race; prohibit intermarriage between whites and nonwhites; deprive Jews of their citizenship and forbid them from holding professional, educational, or political positions of any kind; repatriate Negroes to Africa; and inaugurate a selective immigration policy designed to attract the best European stock to this country. (6A)

The economic part of the NRP program calls for, among other things, nationalization of the banking system under white Christian leadership "to smash the Jewish stranglehold" on the Nation's financial structure, as well as a system of land reform in our major cities to eliminate "unscrupulous Jewish speculators." (7)

The foreign policy of the NRP program urges the political and economic union of the United States and Canada to bring about "a renaissance of Western civilization on the North American continent." The NRP also advocates a policy of "Africa for the Black Africans" and "Asia for the Asiatics." (8)

Among the provisions of the social portion of the NRP program is a \$1,000 bonus for every white child born for the purpose of raising the white birth rate. (9)

Jews and Negroes Considered Undesirable

Madole and his NRP blame the Jews for all the ills and troubles besetting the Nation. In their view, "the Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life." Communists are considered synonymous with Jews, and thus the Jews are held responsible for the growth of communism. Madole feels that the best solution to the "Jewish problem" would be the sterilization of all Jews and that the next best remedy would be to deport them all to Israel. (10)

Negroes are held in similar contempt by Madole and the NRP. They are regarded as inferior, irresponsible people who should be eliminated from our national life by either killing them or deporting them to Africa. (11)

Influence of Nazi Ideology

The Nazi ideology of Adolf Hitler has had an enormous impact on Madole, as exemplified by the vehemently anti-Semitic, anti-Negro, anticommunist nature of the NRP. Hitler has been hailed by Madole as "the George Washington of Europe" and the first to recognize "International Jewish-Communism" as "a threat to Aryan Civilization." Hitler's only mistake in World War II, contends Madole, was to lose it. Madole has termed Germany "the gem of Europe" and "the guardian of the white race." (12)

Although Hitler is dead, states Madole, "his philosophy lives again in the growing strength of Fascist forces in America, Europe and the Middle East. What Hitler accomplished in Europe, the National Renaissance Party shall yet accomplish in America." (13)

Madole once called President Truman a greater traitor than Julius or Ethel Rosenberg, and described President Eisenhower as "Ike the kike," a "bloody butcher" whose hands are "red with the blood of German women and children." (14)

Dream of Political Power

The leaders of most extremist groups dream of political power and Madole is no exception. Madole predicts that eventually the NRP will be a decisive political force which will appeal to those Americans who have become disillusioned with the socialistic

theories adopted by both major political parties in the United States. He claims to abhor violence and sees no purpose in it to effect any good. Violence, he maintains, is not necessary to propagate his ideas, because the chaos engendered by the policies of the United States Government will perform that task for him. (15)

The NRP once entertained the idea of entering the legitimate political arena with an announcement, in the Summer of 1953, that it planned to run a candidate for Congress from the Yorkville district of New York City. Nothing further came of this venture, however. The proposed candidate was H. Keith Thompson, Jr., National Director of the newly formed American Committee for the Advancement of Western Culture. Thompson at one time had been a registered foreign agent for the Socialist Reich Party, a neo-Nazi group in West Germany which was outlawed by the West German Government. (16)

James Harting Madole

Suffers from Asthma

Madole was born July 7, 1927, in New Bedford, Massachusetts, an only child. His father, who was French, and his mother separated and were divorced when he was very young. Madole lived in Brooklyn and the Bronx as a child, but about 1939 he and his mother moved to Beacon, New York, in the hope that the mountain air of that locality would relieve his asthma, from which he has suffered all his life. (17)

Kept weak and thin by asthma and left alone most of the time because his mother had to work for a living, young Madole had no friends and few opportunities for making them. He and his mother depended on each other for companionship (18)

At school, Madole kept to himself. For a while he studied astronomy, then chemistry, setting up a laboratory at home. Out of this scientific interest came his dream of creating a "scientific society" ruled by the "intellectual elite." (19)

Influenced by "Mein Kampf"

After graduating from Beacon High School in June, 1946, he went to work as a clerk in a New York City textile firm. About this time, he read and was greatly influenced by Hitler's "Mein Kampf." He began to contact white hate groups and soon started to send out his own anti-Semitic, racist literature. (20)

James Harting Madole

A reporter who interviewed Madole in November, 1949, found him to be a thin, anemic-looking boy of 22, who suffers from chronic asthma and cannot stand too much excitement.... Madole actually seems to be in a trance. His eyes are glassy and when a question is asked, suddenly his eyes turn downward and his head jerks sidewise." A few months later, another newspaper described Madole as "a lonely, lost boy...glassy-eyed... who acted like a sleepwalker." (21)

Although Madole seeks "government by the intellectual elite," he himself has never achieved much distinction in the business world. Since graduating from high school 24 years ago, he has had a succession of low-paying clerical jobs in the New York City area, punctuated by periods of unemployment. (22)

Interested in Occult

Madole's preoccupation with the occult as a youth has not abated in his adulthood. He reportedly has a keen interest in witchcraft and has a large collection of literature on the subject. He has also continued his research in chemistry and is said to be contemplating experimentation on humans by trying to transform them into part-human, part-monster creatures. Apparently he wishes to determine if there is a relationship between God and humans and if this can be brought out through chemistry. He allegedly has stated that there will be no shortage of humans for his experiments "when we take over." (23)

"Mama's Boy"

Madole has never married and has been characterized as girl shy and afraid of women. On occasion, he has displayed a puritanical concept of sex and women and talked indignantly about racial intermarriage, modern obscenity, and pornography in the movies. (24)

His 74-year-old mother, Grace Harting Madole, who worked as a clerk for the Metropolitan Life Insurance Company in New York City for over 30 years but is now retired, has always been in the background of her son's activities. She not only has encouraged him and actively assisted him in his political endeavors, but has supported him when he was unemployed. Madole is said to be completely devoted to his mother and will do anything she wants. (25)

As a consequence of his frequently expressed fierce hatred of his father and his lifelong strong attachment to his mother, Madole appears to have a well-developed Oedipus complex. There is little doubt that he is a psychopath.

Minuscule Membership

The numerical strength and influence of any extremist group are difficult to measure for the simple reason that fanatics such as Madole persistently magnify the membership and influence of their organizations for the sake of publicity and inflation of their own egos. Madole has made exaggerated claims of membership ranging as high as 2,000, for he regards former NRP members and anyone who has ever corresponded with him as members. (26)

Twenty years ago, membership of the NRP was estimated at 200 to 700 persons, principally due to the remnants which the NRP picked up from the membership of the old Christian Front, the German-American Bund, the Citizens Protective League, and the Nationalist Action League. The NRP's membership soon dropped off, however, and it diminished with the passage of time. (27)

At the present time, the NRP has approximately 20 active members, plus some assorted supporters and followers, virtually all of whom are located in the New York City area. (28)

Requisites for Membership

The NRP recruits white Americans of both sexes--although few women, other than Madole's mother, have been active in the NRP--between the ages of 18 and 40. A new member is supposed to undergo a three months' probationary period following his initial entrance into the NRP. During this probationary period, the new member is expected to attend all demonstrations, picket, distribute literature, and participate in other NRP activities. If a new member proves acceptable during this period, he will then be sworn in and furnished with an NRP membership card. (29)

Exists Only in New York City Area

James H. Madole has been National Director of the NRP during its entire history and has been its sole raison d'etre. NRP headquarters have been located for a number of years in

the apartment occupied by Madole and his mother at 10 West 90th Street, New York City. This apartment consists of one room, kitchenette, and bath. (30)

Over the years, Madole has tried to organize chapters outside New York City. In its early days, the NRP is reported to have had chapters in New Jersey, Philadelphia, and Louisville, and to have made efforts to establish units in Chicago, Dayton, Atlanta, and Los Angeles. An NRP chapter with half a dozen members existed in Staten Island, New York, several years ago. At present, however, the only functioning NRP unit is the parent organization that meets in Madole's Manhattan apartment. (31)

Security Echelon

The Security Echelon (SE) of the NRP, headed by a "Commander," constitutes the NRP's "elite guard" or militant arm. Its function is to act as a guard at outdoor and indoor rallies, serve as banner bearers, participate in picket lines, and distribute literature. (32)

Members of the SE usually wear distinctive garb. Their uniform normally consists of black shoes or boots, black socks, gray trousers, gray shirt, black tie, gray cap, black Sam Brown belt, armband with the NRP insignia (a thunderbolt), and shoulder epaulets indicative of rank. (33)

Mysticism and Imagination

Madole believes in endowing his organization with an air of mysticism. Members of the SE are sworn in at a special ceremony. The recruit takes an oath of loyalty to the NRP while kneeling in front of an altar which contains lighted black candles, a replica of a life-sized cobra with ruby-red eyes, several statuettes of Egyptian goddesses, and burning incense. Madole first reads the SE oath and then the "ten commandments" of the SE, which are repeated by the recruit. The ceremony ends when Madole taps the recruit on both shoulders with a sword to signify his acceptance into the NRP. (34)

Madole has a fertile imagination. The SE at one time published its own publication called the "SE Guard." The June, 1963, issue recounted a street rally held by the NRP on May 25, 1963, in the Yorkville area of New York City. According to this

article, a crowd of 4,000 had been infiltrated by 1,000 Jews who engaged the SE in a "pitched battle" during which the SE "behaved splendidly" and covered itself "with glory." As a result, "for displaying extreme gallantry in the face of the enemy," SE Sergeant Mostaccio was "promoted to Lieutenant" and was "awarded the Order of Valor, Bronze Class." SE Lieutenant Lowe was "promoted to Captain." (35)

Sunday Evening Meetings

The NRP holds general membership meetings every Sunday evening in Madole's Manhattan apartment. The purpose of these meetings, which are presided over by Madole, is to indoctrinate newer members with the basic precepts of the NRP and to inform all members present of future plans for NRP activities, such as counterdemonstrations and literature distributions. If a meeting of officers is deemed necessary, it is usually held on Thursday evening at Madole's residence. (36)

Following a Sunday evening meeting early in May, 1970, seven NRP members who attended were attacked a short distance from Madole's residence by a large group of Jewish Defense League members, who proceeded to beat them with baseball bats, clubs, and hammers. Three NRP members were injured in the fray. (37)

Street Corner Rallies

NRP activities center on street corner oratory, picket lines, and dissemination of NRP propaganda. Street corner rallies have long been held in the Yorkville section of New York City, which is noted for its concentration of persons of German ancestry. There, periodically, Madole delivers his usual pro-Nazi, anti-Semitic, anti-Negro, and anticommunist diatribe. The rallies are frequently marked by heckling and jeering by Jewish and black listeners, and they often terminate with Madole's being pelted by eggs, tomatoes, and other objects, sometimes stones. (38)

On very rare occasions, Madole will venture outside New York City to conduct a rally. One evening late in July, 1967, Madole and a dozen and a half followers appeared at the Courthouse in Newburgh, New York, where he gave his familiar anti-Jewish, anti-Negro harangue before a group of about 100 persons, three-quarters of whom were black. When Madole began his speech, the blacks left the Courthouse and joined other blacks outside. The police had to disperse the crowd and escort the NRP delegation out of the area in a police van. (39)

Later that evening, disturbances broke out in the Negro section of Newburgh, spread to the downtown area, and continued until early the next morning. The disorders resumed the following night and concluded with a total of 72 arrests. Police believed that the trouble may have been precipitated, in part at least, by the NRP rally.(40)

The NRP occasionally holds public rallies in New York City high schools and junior high schools. Madole seldom speaks before outside groups, although he would like to in order to gain much desired publicity for his organization. Some years ago, he appeared on a television interview program, but similar invitations have not been forthcoming since. (41)

Picketing a Favorite Pastime

Picketing is a favorite form of NRP demonstration. In recent years, small groups of NRP adherents--seldom numbering more than a dozen--have frequently established picket lines in New York City to protest antiwar and antimilitary demonstrations; headquarters of the Soviet Mission to the United Nations; a meeting of the National Council of American-Soviet Friendship in Carnegie Hall; a May Day celebration in Union Square under the auspices of the New York District of the Communist Party, USA; a pro-Israel parade on Fifth Avenue; a Times Square theatre showing the film "Che," which depicted the life of the late Latin-American revolutionary, Ernesto "Che" Guevara; and a Times Square bookstore selling pornographic literature. (42)

During many of these picketings, NRP followers waved red flags decorated with a black thunderbolt on a circular field of white, chanted "Hitler was right," and carried signs bearing such captions as the following: "Karl Marx Was a Jew," "Bomb Tel Aviv," "Jews Must Go," "Kill Red Peace Creeps," "Racial Purity Is American Security," "Red Jews Are Behind Nigger Riots," and "Smash the Black Revolt with White Power." (43)

Convicted of Incitement to Riot

Madole has been arrested several times for his activities. On June 10, 1964, he was one of eight members of the NRP who were found guilty in the New York State Supreme Court on charges of incitement to riot and unlawful assembly. They were sentenced to serve not less than one year and not more than two years. The convictions have been appealed but no final adjudication has been made. (44)

Madole's arrest and conviction arose out of incidents which occurred at two diners in the Bronx on July 13 and 14, 1963. Members of the Congress of Racial Equality, a civil rights organization, had been picketing these diners because of alleged racial discriminatory practices. NRP members appeared at the diners for the ostensible purpose of distributing NRP literature to Negro demonstrators but actually to cause trouble. (45)

NRP members claimed that a gang of blacks attacked them at one diner and smashed a window in their panel truck. Police inspecting the truck found it to contain numerous pieces of NRP literature and a quantity of weapons, consisting of a loaded .22 caliber revolver, loaded pellet gun, loaded flare gun, loaded tear gas pencil, loaded tear gas billy, crossbow and three arrows, switchblade knife, straight razor, and a long axe-type weapon. Madole was among those arrested, because the incidents had been planned in his apartment. (46)

Literature Blatantly Anti-Semitic and Racist

The official organ of the NRP is the "National Renaissance Bulletin," which is prepared by Madole and is generally issued about every three months. This bulletin has a mailing list of several thousand persons in all parts of the United States, although most of its recipients are in the New York and New Jersey area. (47)

Other printed propaganda, particularly leaflets and throwaways, are also published by the NRP. All NRP printed material abounds in excerpts from "Mein Kampf," rehashes of Hitler's speeches, and anti-Semitic and racist vitriol. A recent throwaway declared that "Anarchy, nihilism and Bolshevism are Jewish weapons to sabotage and destroy everything that is not Jewish. Jews are aware of their own vile, dirty, base and filthy low nature..." Another NRP leaflet warned that "Negro Blood Destroyed the Civilization of Egypt, India, Phoenicia, Carthage, Greece and Rome. It will destroy America!" (48)

Distribution of Literature

Madole and his followers make it a point to distribute literature on street corners and at picket lines. For example, Madole, his mother, and a friend handed out leaflets at a rally for George Wallace in Madison Square Garden, New York City, in October, 1968. Ten NRP members passed out pieces of NRP

literature at the entrance of the New York Coliseum, where an automobile show was in progress in April, 1970. During this same period, two members of the NRP distributed literature at shopping center parking lots in the Hicksville, New York, area. (49)

Madole himself does not usually participate in NRP picket lines or counterdemonstrations, but instead hands out literature to bystanders and passersby. (50)

The NRP frequently disseminates literature which has been published by other white hate groups, such as Klan organizations, the National States Rights Party (NSRP), and the National Socialist White People's Party (NSWPP). Before distributing such printed propaganda, the NRP often stamps its own name and address on the literature. (51)

In the past, the NRP has also distributed quantities of pro-Arab printed propaganda which it obtained from Arab establishments in New York City and stamped with its own name and address. Madole has seen fit to disseminate this pro-Arab, anti-Jewish literature because, he says, the NRP is anti-Jewish and he is in accord with the Arab position in the Middle East. Madole contends that he has never been approached by any representatives of Arab nations to act on their behalf nor has the NRP ever sold any of this pro-Arab literature. (52)

Relations with Other Extremists

OK 64 → ORIGINAL → Madole maintains contact with the leaders of a number of white hate organizations throughout the country. He has, for instance, been friendly for many years with Edward R. Fields, Director of the NSRP. Both the NRP and the NSRP have cooperated with each other on a number of occasions. Madole has also maintained an amicable relationship with Matthias Koehl, Commander of the NSWPP, who was at one time in charge of the NRP's Security Echelon. (53)

Madole and a small group of his followers drove to Washington, D. C., in a rented station wagon on October 21, 1967, for the purpose of counterdemonstrating during an antiwar demonstration which was climaxed by a March on the Pentagon. During the trip from New York City to Washington, NRP members shouted epithets and obscenities at the occupants of chartered buses carrying antiwar demonstrators. In Washington, Madole contacted leaders of the White Party of America (WPA) and the NSWPP to coordinate their counterdemonstration efforts. (54)

The NRP frequently meets with representatives of other white extremist organizations. A number of such groups held a convention at the Continental Hotel in Washington, D. C., on April 20-21, 1968. Madole and four other NRP members were present at this convention, along with representatives of the WPA, the NSRP, and the NSWPP. (55)

The next year, the NRP sponsored a "White Power" conference which was held in Public School 169 in New York City on April 19, 1969. It attracted approximately 100 persons. Madole and the heads of several other white extremist groups were the speakers. (56)

The NRP has had ties with neo-Nazis and anti-Semites abroad. One of these was Erwin Schoenborn, of West Germany. The NRP has circulated anti-Jewish literature published by Einar Aberg, a notorious Swedish anti-Semite. (57)

Sources of Funds

For most of his life, Madole has held a variety of low-income clerical jobs and has been unemployed for varying periods of time. However, from his own meagre and sporadic earnings, from the financial support given him by his mother, and from whatever financial tidbits he has managed to get for the NRP, he has acquired sufficient funds to keep the NRP alive. In the early days of the NRP, Madole had several financial backers, but such support ceased a long time ago. (58)

The major portion of the NRP's income comes from contributions from individuals receiving NRP literature. An additional source of revenue is membership dues. All members who are gainfully employed are supposed to pay \$5 per month dues, while members not employed pay \$1 per month. (59)

Nothing More Than a Public Nuisance

Shortly after Madole founded the NRP, one of his original financial supporters made an assessment of him which is as valid today as it was then. This backer described Madole as an extremely nervous individual who makes a poor speaking appearance and has no organizational ability whatsoever. He predicted that the NRP would never amount to anything and that without Madole's dedication and zeal it would collapse. (60)

In 21 years, the NRP has never amounted to very much but it has not collapsed. Madole has kept it going as a one-man enterprise which has attracted a small group of inveterate hatemongers imbued with the same fanaticism as its founder. The NRP has never been nor is it ever likely to be anything more than a public nuisance.

On October 24, 1970, Special Agents of the Federal Bureau of Investigation (FBI) observed a street rally sponsored by the National Renaissance Party (NRP) which commenced at approximately 7 p.m. at the Northeast corner of Steinway Street and Broadway in Queens, New York.

A characterization of the NRP may be located in the Appendix page attached hereto.

It was observed that those NRP members present at 7 p.m., erected a speaker's platform in the street on Broadway, adjacent to the curb at this Northeast street intersection. An American flag and a flag bearing the insignia of the NRP, a thunderbolt, were placed alongside the speaker's platform. Also observed was a sign alongside the speaker's platform setting forth the following: "NRP-America's White Power Party." The Public Address System was also set up in conjunction with the speaker's platform.

It was observed that this street rally lasted until 9 p.m., and during the period from 7 p.m. to 9 p.m. a crowd of approximately 75 to 100 curious onlookers gathered. Speeches were attempted by NRP members James Madole, the founder and current leader of the NRP, Greeg LeDuc, NRP Secretary, and David Kerr, described as the leader of the NRP in the state of New Jersey. However, these speeches were totally ineffective inasmuch as the Public Address System was inoperative. Other NRP members present distributed pamphlets entitled, "Should American GI's Serve As Cannon Fodder In Another 'Holy War' For The Jews?"

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation (FBI). It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 16, 1970, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

Dear Sirs:

Enclosed please find two issues of the Nat.Ren.Party of New York newsletter. I have received this and other extremist literature through the mails recently. I am a reader of the Liberty Letter (Liberty Lobby, Wash, D.C.) and they recently had their mailing list stolen and resold illegally (according to their bulletin). Since that time I have received literature from the following groups, of which I do not agree:

NRP, Box 10, New York, N.Y. 10024

NSWPP, Box 5505, Arlington, Virginia 22202

I have returned their literature from time to time and emphatically told them that I do not want any more. I'll try to have the postmen return any other letters from them unopened. I just wanted it on the "record" that I do not agree with these groups, which I consider extremist and irrational.

Thank you very much.

P.S: While I have the chance, let me tell Mr. Hoover that I fully agree with his assessment of both Martin Luther King, and most recently, [redacted]

NOTE: Bufiles reflect one prior outgoing to correspondent dated 5/18/70 regarding a similar matter. He enclosed two issues of newsletters of the National Renaissance Party. Bufiles reveal that this organization is a hate group which is anti-Negro, anti-Semitic and neo-Fascist in nature. Correspondent also refers to the National Socialist White People's Party which is the successor to the American Nazi Party and has been investigated by the Bureau. The Liberty Lobby has been described as a patriotic pressure group. We have had numerous inquiries regarding it over the years but have not investigated this organization.

A political party devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice

NRP PHILOSOPHY EXPOUNDED AT OPEN-AIR STREET RALLIES IN ASTORIA by Gregg Le Duc

The leadership of the NRP has long contemplated a drive to organize the masses of Gentile people living in Queens County, which together with Staten Island constitute the stronghold of the Conservative Party in New York City. On the Saturday evenings of October 24th and 31st the NRP sent its forces to the busy corner of Broadway and Steinway Street in Astoria, an overwhelmingly White district of Queens. Unlike past street meetings in Manhattan, we neither mailed nor distributed any advance notice of the NRP's appearance in order to forestall the arrival of masses of Jewish hecklers. Some 16 NRP uniformed members and the party speakers merely drew up in 3 cars, set up their platform and banners, and started to speak. Since none of our local party members were advised of the rally and no advance bombardment of the neighborhood with meeting announcements had taken place, the crowd consisted of only some 150-200 people but there was hardly any heckling from the crowd.

SE officer David Kerr delivered a short but laconic introductory speech which dealt with 3 topics: White Power, law and order, and Victory in Vietnam. Mr. Kerr pointed out that America was founded of, by, and for

President Richard Nixon and Negress Pearl Bailey symbolize the unholy alliance between greedy American Capitalists and "Black Power" advocates.

White Europeans - for English, Germans, Irish, Italians, Greeks, Russians, Swedes - for Europeans, not for Jews and Blacks. The White Europeans wrested an entire continent from the savage Red Man and then proceeded to build a mighty nation by means of hard, physical work and creative ingenuity. The civilization-bearing White European built America, brought his highly advanced European culture to a virgin America and through his industriousness and superb intellectual talents transformed a wilderness into a vast nation with a cultural level nearly on a par with Europe and a standard of living even higher than Europe's. It was the White Europeans who built North America, not the Blacks. The jungle-bearing Africans were not an economic asset but an economic liability, an impediment to the modernization of America. Just as civilization-bearing Whites brought their European culture with them to America - cleanliness, high cultural and technological level - so the jungle-bearing Blacks brought their African culture with them - uncleanness, murderous stupidity, voodoo, and a Stone Age standard of living. America was built in spite of the Black Man, not because of him. America was built of, by, and for White people. Therefore, WHITE POWER is synonymous with AMERICAN POWER, and those who support AMERICAN POWER must also support WHITE POWER, and WHITE SUPREMACY; those who wear American flags in their lapels and are "proud to be an American" and want to "Stand up for America" should also stand up for the White Man, the founder and creator of America.

White Power Activist David Kerr then emphasized that the NRP is pro-police and is demanding the immediate restoration of law and order in America, a nation crippled by archaic liberal-democracy, which permits Black biological anachronisms to wander at will in the asphalt jungles of a pluralistic American society to murder, rob, and rape at their pleasure in return for their votes at election time! Mr. Kerr lashed out at the Black Panthers, who have murdered over a dozen policemen in the last 2 years, and then took on the Jewish mass media, which is viciously anti-police in its orientation - to the obvious delight of both the responsible citizens and the policemen in the assembled crowd.

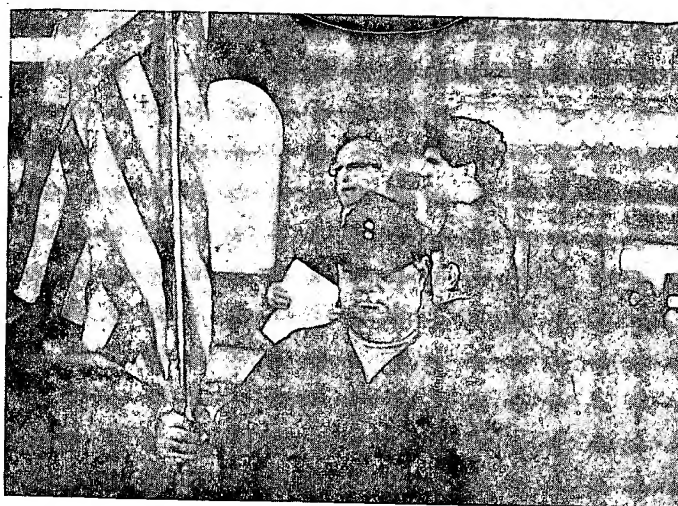

The courageous David Kerr then expressed the NRP's views on Vietnam. He averred that we should either take the handcuffs off the military thus allowing them to gain the military victory which has been denied them for the last 10 years by the seekers of war profits and the traitorous Liberal-Jewish Establishment or pull our troops out of Vietnam and use them against the real enemy, the enemy within America! Having completed his terse and well-received speech, SE officer Kerr then introduced NRP Secretary Gregg LeDuc. Mr. LeDuc's speech covered all facets of the war against culture-distortion - from the insidious sabotage of the Eternal Enemy, the Jew, to the savage machinations of Black biological anachronisms, to the Capitalist-Communist conspiracy to ruthlessly crush Aryan aspirations for a White-European America with economic justice for the White worker - but his speech emphasized the struggle against race conservatism, the conservation of such biological throwbacks as Blacks.

Secretary LeDuc truthfully and forcefully pointed out that although Blacks are 11% of the population, they account for 62% of all murders, 60% of all armed assaults, 58% of all robberies, and 56% of all rapes. Race conservatives,

those who wish to conserve Blacks, excuse the astronomically high Black crime rate by alleging that Blacks are poverty-stricken, and poverty accounts for Black crime. Mr. LeDuc agreed that poverty is a factor in crime, but added that there is also a racial factor involved. White Appalachians, for example, are poor, but they don't murder, rob, and rape. Furthermore, if a low standard of living is the only factor involved in crime, then why does Europe, which has a lower standard of living than America, have a much lower crime rate than America? The answer, of course, is that Europe has a low crime rate because there are very few Blacks in Europe! Wherever you get Blacks, you get crime; the two simply go together. The few Liberal and Jewish hecklers in the Astoria crowd were actually silenced by the afore-mentioned relationship between Blacks and crime and they never dared to challenge the obvious veracity of the statement. Race Idealist Gregg LeDuc then went on to state the scientific reason why Blacks are criminals. He averred that responsible anthropologists have conceded that the Black Man is at least 250,000 years behind the White Man on the scale of evolution, and that discrepancy between White and Black evolutionary levels accounts for the Stone Age Black Man's high crime rate. The mentally immature Negro unfortunately, has been thrust into an Aryan, Space Age society, and, naturally, the primitive mind of the tribal-oriented Black is simply unable to compete with highly evolved Whites, and, therefore, in desperation the Black Man resorts to crime. Many sophisticated people in the crowd nodded their heads

Party Secretary Gregg LeDuc delivers an emotional charged speech to the people of Astoria

Party Leader James H. Madole addresses a street crowd in Astoria

in agreement with Secretary LeDuc's scientific analysis of the Black crime problem, and many forward-looking citizens also agreed with his solution; "if you want the murders, muggings, and robberies in this neighborhood and this country to stop, then all Blacks must be removed from America. The NRP is demanding the complete and immediate deafricanization of America. Deafricanization, NOW !

Race Modernizer LeDuc then dealt with a topic so fashionable among voter-registration WASPS, nouveau-riche Jews, and overprivileged intellectuals; namely Black culture and Black Power. Of course, the best way to envisage what Black Power would mean in America is to discover what Black Power means in Haiti, the Western Hemisphere's only independent Black Power nation. Haiti was once a French colony, and when the French ruled Haiti, it was the most profitable colony in the New World, more profitable than even the 13 American colonies. In 1803, though, the Blacks revolted, killed most of the French and expelled the rest, and set up a Black Power government. Everything soon deteriorated because the Blacks lacked the necessary organizational skill to run the plantations and they couldn't care less. When the French ruled Haiti, it had the highest standard of living in the Western Hemisphere, yet today, when the Blacks rule Haiti, it has the lowest standard of living in the Western Hemisphere, \$60 per capita as compared to \$3000 per capita in the USA. Nearly 75% of the children in Black Power Haiti are illegitimate, 80% of the people in Black Power Haiti are illiterate, crime is rampant, disease is widespread, and voodoo, the Black Man's contribution to religion, is widely practiced. Low standard of living, illegitimacy, illiteracy, crime, disease, and voodoo - that's Black Power, and if you let the Blacks take control of America, the same thing will happen here. The Black Man destroys everything he touches, so, obviously, you don't let him touch anything. Race Reformer LeDuc concluded his discussion of Black Power with these prophetic words, "Black Power is reactionary and must be destroyed. BLACK POWER MUST BE DESTROYED!"

Secretary LeDuc then tore apart the Jewish transvaluation-of-values lie that the NRP is a Conservative Organization or that White Men are conservative by nature. He pointed out that during the last 400 years European civilization has expanded into North and South America, Australia, New Zealand, and South Africa. White pioneers came to North America and exterminated one Indian tribe after another in order to secure room for Aryan expansion while Spanish Conquistadores were doing the same thing in Latin America and the Caribbean Islands. British settlers landed in Australia and pushed aside the hopelessly primitive Aborigines while their kinsmen in New Zealand subdued or annihilated the dark-skinned Maoris. Dutch colonists brought civilization to South Africa and terminated sundry useless African tribes in their courageous efforts to transform the barren African veldt into a fecund replica of their native Europe. In the historical sense, then, the Red Man and the Black Man have been the race conservatives, the ones who have tried to conserve the status quo and hold back the process of evolutionary development, and the White Man has been the race progressive and race modernizer in conformity with Natural or Divine Law stressing the SURVIVAL OF THE FITTEST.

Secretary LeDuc pointed out that the White Man's efforts to completely Arynize America are being thwarted by reactionaries masquerading as progres -

theatre, makes a mockery of natural feeling, overthrows all concepts of beauty and sublimity, of the noble and the good, and instead drags men down into the sphere of his own base nature. Religion is ridiculed, ethics and morality represented as outmoded until the last props of a nation in its struggle for existence in this world have fallen. "

Mr. Madole pointed out that America's victory over Nazi Germany in World War II was the triumph of International Jewry and the colored races of the globe over Aryan mankind. He pointed out that a complete dissolution of the British, French, and Dutch colonial empires took place immediately following the Holocaust of World War II. The passage of the Civil Rights Act by the American Congress in 1954 flooded our educational institutions and industrial plants with millions of primitive Negroes thus destroying the public educational system of the USA and lowering the quality of our work force with the resulting decline in goods and services as witness the deplorable inefficiency in our telephone system and subways. Mr. Madole averred that the defeat of Adolf Hitler was the defeat of the needs and future aspirations of every White Aryan on the face of this planet! By citing examples and giving names, Mr. Madole was able to prove that it most certainly is the Jews who are seeking to destroy America as they once sought to destroy Hitler. Are not the sensational headlines regarding "War Crimes" and atrocities in Vietnam levelled against Lieutenant Calley by the Jewish-dominated communications media exactly the same horror tales which were fabricated by World Jewry at the Nuremberg trials? Were they not designed in both cases to drive a wedge and create a moral gulf between the home front and the G.I. or the German soldier in the trenches? The Jews have financed the Black Revolution, the Jews are behind the anarchist and Communist terrorism now sweeping America, and the Jews are madly pushing every form of vice and pornography as a visit to any stage show, movie house, or book store will prove. Everything that Hitler said about the Jews in Germany holds true in regard to their fiendish practices in the USA. Therefore, like it or not, Hitler was right!

Although the crowd did not exceed 200 people, due to defects in our sound equipment, the message of Racial Nationalism and the NRP solutions toward current problems were pounded home repeatedly with such vigor and enthusiasm that most of those at the rallies couldn't help but acknowledge the truthfulness of our statements and admire the courage of our men, who, alone of all the political parties in the USA, dared to strip the Jewish - Liberal Establishment of its filthy clothes, dared to expose the System as a grotesque monstrosity which seeks to destroy the soul and body of Aryan Man. Therefore, before all men, the NRP publicly accuses the Liberal-Jewish Establishment of insensitivity to the White Man's unique cultural heritage, unresponsiveness to Aryan aspirations, cow-towing to International Zionism, and the institutionalization of race conservatism, and sentences it to: **DEATH IN THE STREETS !**

NRP'S ASTORIA MEETING A SUCCESS

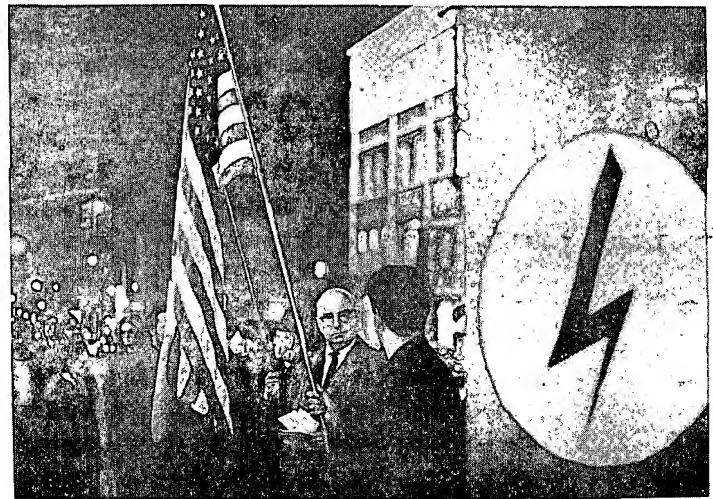

by Kimmer Edeson

I am a member of the NRP from the state of Virginia and on the night of October 24, 1970 - I travelled to New York City in order to be with my racial comrades in their first political invasion of Queens County. My resi-

dence had been in Astoria when I first joined the NRP many years ago and I had suggested the site of the rally myself. The meeting continued from 7 PM to 9 PM without interruption. The speakers were SE officer David Kerr, Party Secretary Gregg LeDuc, Party Leader James H. Madole, and SE man Louis Mostaccio. There were no mobs of Jewish hecklers waiting to meet us as happened in our Yorkville rallies last June because Mr. Madole sent out no official notices to our New York members nor did we flood the area with

Kimmer Edeson at masquerade party in Alexandria, Virginia

handbills a week in advance. Only two cops were on hand initially to keep order and some 16 Security Echelon (SE) men mingled freely with their White comrades in the crowd. There were no barricades to surround our speakers hence they could talk without benefit of loud-speakers to the assembled crowd which was in a semi-circle around the speakers. Without the usual crowd of Jewish hecklers and goons there was no breach of the peace that night. Yes, Mr. Madole rekindled the fading spark of racial awareness and national honor in those American White workers on a street corner in Astoria that night. White patriots must prepare to attend our open-air rallies next year in the White neighborhoods of New York City and Long Island. Hear our dynamic speakers and you will be inspired to lift the sword in your own interests. We, of the NRP, are dedicated to serve the future welfare of Aryan folk and their progeny on the North American Continent. Do not sit idly by while Jews and Blacks usurp the rights belonging to you and your children. HAIL VICTORY !

A REMINDER CONCERNING PARTY MEMBERSHIP DUES:

As stated in the last issue of the NRP Bulletin all those desiring membership in the National Renaissance Party will be required to pay a membership fee of \$ 1 per month or \$ 12 per year. New NRP membership cards are now being printed and must be signed by both the Party Leader and the Party

sives, by race conservatives like the Washington criminals George McGovern, Eugene McCarthy, and Edward Kennedy, film star Jane Fonda, and, of course, the omnipresent Jew, all of whom are trying to stop the hands of the clock and save the Black Man, whom history has condemned to the Museum of Antiquities. Just as the race conservatives of the 19th Century tried to save the Red Man; so the race conservatives of the 20th Century are trying to save the Black Man. McGovern, McCarthy, and Kennedy have all sponsored "Save the Black Man" bills, Jane Fonda raised bail money for Black Panthers and encouraged the Indians to take over Alcatraz Island, and all open-minded people realize that Jews like Leonard Bernstein are financing the Black Revolution. All these efforts are fruitless, however, because just as the Red Indian was biologically obsolete in the 19th Century and proceeded to disappear from the stage of World History, so the Black Man has become obsolete in the 20th Century and therefore Nature will decree his obliteration from the competition of species. Mr. LeDuc emphasized that evolution has caught up with the Black Man and that his removal from America is INEVITABLE.

After the conclusion of Secretary LeDuc's speech, David Kerr introduced our Party Leader, James H. Madole. Mr. Madole dealt at length with the Jewish Question, the role of the Jews in the decline and fall of the American Republic. First of all, the National Director pointed out that the Jews are behind the Black Revolution and always have been. For example, the original president of the NAACP was the Jew, Joel Spingarn, and he was succeeded by his brother Arthur Spingarn. The audience listened attentively while Mr. Madole added that even today the president of the NAACP is not a Black Man but the Jew Kivie Kaplan! Its chief attorney is the Jew Jack Greenberg! Aryan activist Madole also stated that the Urban League was founded in 1911 by the Jew Julius Rosenwald, and the Congress of Racial Equality (CORE) was founded in 1924 by the Jew Frank Rich but this latter outfit nearly folded up when its Black membership began criticizing the Jews, at which point all the funds suddenly dried up. The same thing happened to the Student Non-Violent Coordinating Committee (SNCC), which was well-funded and vitriolically anti-Aryan, but then its militant Black leader, Stokely Carmichael, both criticized the Jewish role in the Black communities and dared to praise Adolf Hitler after which financial bankruptcy set in! Mr. Madole gave yet another example, the Black Panther Party, which had been promoted by the Jewish culture - distortion apparatus and had no lack of funds until it adopted an anti-Israel position and supported Arab Guerrilla organizations like "El Fatah". The crowd was impressed by Mr. Madole's proof that the Jews are the motivating force behind the Black Revolution.

National Director Madole continued his highly persuasive speech by maintaining that the Jews are behind Communism. The leaders of the Russian Revolution were nearly all Jews: Trotsky, Kamenev, Zinoviev, Axelrod, Deutsch, Martov, Dan, Radek, Uritsky, and Madame Krupskaya, - all Jews and all Communists! Moreover, the Jews are just as pro-Communist today as they were 50 years ago as long as the Communism in question is of the Trotskyite variety, which is to say dominated completely by Hebraic rather than Russian, Chinese, Yugoslavian, or Chinese modes of thought! The Jew Herbert Aptheker is the chief theoretician of the U. S. Communist Party while the Jew, Gershon, is the

editor of the American Communist organ, "The Daily World". The notorious Marxist front known as the Students For A Democratic Society (SDS) is composed of at least 75% middle-class Jewish youth and boasts such Jewish leadership as Mark Rudd, Mike Klonsky, and Lewis Coles. Rudd is also the leader of the murderous band of cop-killers, bombers, and arsonists known as "The Weathermen", a militant faction of SDS. Six of the "Chicago 7", who incited a bloody riot at the Democratic National Convention in Chicago in 1968, were Jews; Davis, Dellinger, Froines, Hoffman, Rubin, and Weiner - all nice Jewish boys. The militant Jewesses, Betty Friedan and Bella Abzug, are leaders of the Women's Liberation Front which seeks to deprive Aryan women of their natural femininity and force them into un-natural competition with the male of the species. The Jew, Sigmund Freud, extolled by Jewish opinion-makers as the "Father Of Modern Psychiatry" sought to explain all human activity in terms of the "sex drive" while denigrating the higher, less animalistic, motivations and emotions of the human psyche (soul). The Aryan psychologist, C. G. Jung, recognized the occult and mystical side of the human mind which inevitably causes the superior Aryan mind to seek after eternal and infinite values in his art, poetry, architecture, and writings whereas the Semitic mind is satisfied with temporal values and sexual fantasies as witness their acumen in the commercial arts and the peddling of carnal lust through every media of communication with the public. Sigmund Freud once stated to his colleague, C. G. Jung, that his theory of the sexual motivation of human behaviour was laid down as a "bulwark of reason against a possible outburst of the black flood of occultism". A study of the hidden powers of Nature and the human mind has always been essential to the Aryan Soul. This has been stifled by the accursed Semitic creeds of Judaism, Christianity, and Islam which serve as alien straitjackets ensnaring the Aryan mind and soul. Mr. Madole explained that all Semitic religions were but pale reflections or spiritual plagiarisms of ancient Aryan spiritual doctrines.

Party Leader James H. Madole continued his speech by analyzing the racial background of the editors of the Underground Press, the vile Hippy newspapers which advocate the use of drugs by Aryan youth, experimentation with sexual perversion by normal humans combined with tolerance for the open activities of sexual deviants, and vicious anti-American propaganda aimed at the High School and college youth. The executive editor of "SCREW" is the Jew, Alvin Goldstein, the publication, "KISS", is edited by the Jew, Joel Fabricant, while the Jews, Allan Katzman and Yaakov Kohn, manage "The East Village Other". The Jewess, Jane Alpert, holds top position on "Rat", a publication catering to pornography and Women's Liberation. Miss Alpert was arrested in a case involving the bombing of major public buildings in New York City on behalf of the Weathermen.

Mr. Madole then summed up his speech to the crowd in Astoria by quoting Adolf Hitler and requesting the assembled people to apply his words to present conditions in the USA:

"In the political field the Jew refuses the state the means for its self preservation, destroys the foundations of all national self maintenance and defense, destroys faith in the leadership, scoffs at its history and past, and drags everything truly great into the gutter..... Culturally he contaminates art, literature, the

Secretary to be deemed official. Those having paid at least 3 months dues (\$ 3) will receive a new membership card and party armband (if they so desire). It would be a great service in maintaining a steady budget for NRP activities if members would pay, whenever possible, the \$ 12 yearly dues in one sum instead of remembering every month to send one dollar.

NRP RESUMES ITS RECRUITING DRIVE AT THE PORT AUTHORITY TERMINAL

NRP recruiting agents and SE troopers guard literature display in Port Authority terminal.

SE Trooper Dave O'Donnell mounts guard over a huge NRP recruiting sign in Port Authority terminal.

The Port Authority Terminal is the largest bus terminal in New York City servicing passenger traffic to every part of the continental United States. Some years ago a group of militant Communists were arrested for distributing hand bills on the property of the bus terminal. The case was carried to the U.S. Supreme Court where the Reds, as usual, won their legal point. Ever since groups like the Black Panther Party, the Progressive Labor Party (Maoists), and the Socialist Labor Party have flooded the premises with untold quantities of leftist material particularly slanted at G.I.'s travelling to and from their military bases.

On August 15th and 22nd the NRP moved into the Port Authority Terminal in force. One squad of SE troopers gave out thousands of leaflets while a team of NRP debaters set up a recruiting table, large signs, banners, and quantities of free literature. Our White Power signs and thunderbolt banners immediately drew masses of people to the vicinity of the recruiting table where Party Leader James H. Madole and SE officer David Kerr answered questions and engaged in heated debate with Jews and Blacks for 3 solid hours. A Jewish Marxist was eulogizing the use of narcotics by American youth. This bearded, unkempt "freak" made the statement that NRP Leader, James H. Madole, was a monster who wanted to kill people but he then made the mistake of stating that he saw no harm in letting 12 year old youngsters use drugs because "if they died, you didn't have to crawl into the coffin with them" and permitting a child's use of narcotics was infinitely preferable to curtailing individual freedom. Non-Jews standing by our recruiting table were struck by horror and amazement to hear this blatant expression which so clearly revealed the utter depravity of the Jewish intellect. One South American bystander, who had been neutral up to that point, immediately began denouncing the Jewish hecklers in no uncertain terms. Another heavy-set White man challenged a particularly obnoxious Jew to a fist fight whereupon vigilant police immediately intervened. Still another well-dressed Jew proclaimed himself a member of the John Birch Society, which also has a recruiting table in the Port Authority Terminal, and stated that the John Birch Society was set up to fight organizations like the NRP! We always thought the Birchers were set up to fight the Reds but apparently we were in deep error.

During the 2 actions by the NRP in the Port Authority Terminal in August we reached at least 8500 new people with our leaflets and the majority of response has been from towns and cities in New Jersey which have been hard hit by rampaging Black rioters during this hot summer of 1970. Meanwhile the NRP recruiting campaign in Nassau and Suffolk Counties on Long Island continues with leaflet distributions in Bay Shore, Brentwood, Islip, Central Islip, and Farmingdale. A near riot developed at the movie house in Islip, Long Island when NRP members gave out leaflets opposing American involvement in the Middle East on behalf of Israel. A mob of Jews gathered in the theatre lobby trying to work up courage to attack our men. The manager of the movie house called local police but the screaming Jews never got around to making any progress in their proposed blitz on NRP fighters.

COMMUNISM AND THE JEWISH INTERNATIONALE Horacio Minguillon

(Editorial Note: The following article by Horacio Minguillon of the Cuban Liberation Commandos appeared in the Spanish-language newspaper, "Vanguardia", on June 20, 1970. It was the first time that any newspaper with Spanish-speaking readers had dared to print an article exposing the Jewish role in the World Communist conspiracy. Immediate pressure was brought to bear by Spanish Jews and the advertisers with the result that courageous Horacio Minguillon was barred from the pages of "Vanguardia". This is what Jews and Liberals mean by "freedom of the press". Those wishing to compliment the heroic Cuban Freedom Fighters should write to: Cuban Liberation Commandos, c/o NRP, Box 10, New York City, N. Y. - 10024.)

The Idea of Cuban Communism was born in the Hebrew Association of Art and Culture located on Zulueta Street in Havana; later to be known as the Popular Hebrew Center under the direction of the Polish Jew, Abraham Zincowich, alias Jose Michelin, and more recently, alias Fabio Grobart. Speaking of Jewish Communism is a taboo theme among democratic, anti-Communist elements. Only the Nazi, Fascist, or Falangist dare speak openly on this topic. In the same manner during 1959, the year when Fidel Castro took power in Cuba, none dared to criticize the first "Revolutionary Laws" from fear of being labelled a "Batistiano" (a supporter of ex-president Fulgencio Batista) or a "Counter-Revolutionary". Since we don't intend to enter politics nor to become president in exile of Hamburgers and Frankfurters, we can speak openly. We are not Nazis because they were the solution to a German problem, we are not Fascists because they were the solution to an Italian problem, of the Falange and of Jose A. Primo Rivera we are staunch admirers because they were the only force to make the Reds bite the dust but we are not Falangists because we are not Spanish citizens. We are Christians and Cuban patriots who aspire to see Cuba free of International Communism and united in mutual respect with our North American brothers in the Western bloc.

Rolando Minguillon, Leader of Cuban Liberation Commandos with injured hand, and Horacio Minguillon, his brother at right

Now comes the inevitable question: Why should the Soviet Union support the Arab States against Israel if Jews are behind the World Communist Movement? The answer is that Soviet Russia opposes the philosophy of Zionism which demands absolute loyalty to the state of Israel on the part of every Jew in the world. Moscow demands that all Soviet Jews must serve the interests of Russian Communism and dual loyalty is punished by death! Hence Russian Communism was never anti-Jewish but only anti-Zionist! Those Jews in the American Communist Movement, the Students For A Democratic Society (SDS), Weathermen, Womens Liberation Movement etc. are confirmed Marxists and therefore anti-Zionist. This includes notorious Jews like Abbe Hoffman, Jerry Rubin, Mark Rudd, Al Kunstler etc. Whether Zionists or Communists these Jews work against the best interests of the USA as witness the howl of indignation that went up from "pacifist" groups when our soldiers invaded Cambodia in contrast to the silence which greeted the Israeli invasion of Lebanese territory. Remember that 3 of the 4 student "pacifists" killed by the Ohio National Guard at Kent University were Jews. The "Father of Marxism", Karl Marx, was a Jew and the intellectual and political leadership of every Communist-inspired revolution in both Europe and America since 1917 has been overwhelmingly Jewish.

We do not believe that all Jews are necessarily in agreement with either International Communism or political Zionism which demands a dual loyalty on their part hence we are not "anti-Semites". The lawyer who defends us in court, after our clashes with pro-Castro forces, is both Jewish and anti-Communist. We are not attacking Jews as either a race or a religion but we insist on our right to point out the great influence which Jewry has wielded in behalf of International Communism since 1917! For a new Cuba, united under NATIONALISM and CHRISTIANITY, LIBERTY or DEATH !

Charles Lindbergh, A Symbol Of Aryan Resurrection In America
James H. Madole

With the publication of "The Wartime Journals Of Charles A. Lindbergh" in the USA another barrier to the candid discussion of the Jewish Question and its relationship to America's involvement in World War II went crashing down. The intelligentsia and opinion-makers always delay plunging into controversial subjects until a certain number of world celebrities and men of substance have dared to express themselves openly upon the taboo subject. In the same vein the findings of Professors Shockley and Jensen on the basic differences between the races of mankind has re-opened discussion on the forbidden topics of inter-racial marriage and the desegregation of the American educational system. Prior to the trail blazing efforts of Charles Lindbergh, Dr. William Shockley, and Dr. Arthur Jensen no criticism of the role played by Jews and Negroes in America was remotely tolerated by the Liberal Establishment. This had been so ever since the defeat of Hitler's Germany in 1945! Because tolerant Americans refuse to believe that Jews, because of their Messianic Talmudic beliefs, are the fountainhead of revolutionary ferment in all parts of the world we have allowed them to preempt the teaching profession and thus to mold the minds of American Youth at both the High School and University level! Results are catastrophic! In 1954 the Supreme Court desegregation decision poured millions of primitive, illiterate Blacks into the American educational system thus subjecting both Blacks and Whites to a steady diet of Marxist equalitarian propaganda, in 1964 the first major race riots broke out across the nation and Jews were busily promoting the use of hallucinogenic drugs among High School and college kids, in 1967 the riots shifted to the college and university campus virtually destroying the upper echelons of the educational process in the USA, in 1968 the chaos extended into the High Schools thus disrupting the lower echelons of American education and many youngsters of Aryan origin simply became "drop-outs" at the age of 15 or 16 rather than suffer daily humiliation and brutalization from their Black "Brothers in Christ", and by 1970 the Jewish opinion-makers had utilized their control of America's communications media and educational system to the point where open assassination of Police Officers and the bombing of government buildings is the order of the day! The legalization of marijuana to keep the American population in a state of drugged euphoria is also demanded by Jewish Liberals and their Gentile dupes. The progress of this sinister blueprint for revolution, which is nearly identical with their past undermining of Czarist Russia and the Weimar Republic in Germany, proves conclusively that Adolf Hitler was right in his anti-Jewish policy and that Charles Lindbergh is right in his

statement that Jewish propaganda led to America's involvement in World War II. We might add here that since January 1, 1970 some 21 police officers have been killed and 159 injured which clearly depicts the serious nature of the situation !

Many sincere American patriots fail to realize that "racism" or the belief that the differing races of mankind are fundamentally unequal both in their capacity to create and maintain a civilization and their ability to absorb and use knowledge is not alien as a philosophy to the American way of life. Some of the foremost theoreticians of "racist" thought were native Americans like Madison Grant, Lothrop Stoddard, and Francis Parker Yockey. Madison Grant, far from being labelled a "crackpot", was President of the New York Zoological Society, a trustee of the American Museum of Natural History, and a councillor to the American Geographical Society. The forewords or introductions to Madison Grant's major books, "The Passing Of The Great Race"

and "The Conquest Of A Continent" (banned from book stores by the Anti-Defamation League of B'nai B'rith), were written by no less a personage than Professor Henry Fairfield Osborn, President of the American Museum of Natural History. You will find the attitudes of Madison Grant concerning "democracy" and the relationship between human races of varying merit to be very similar to that held by the NRP as the following excerpts from "The Passing Of The Great Race", published in 1916 will demonstrate:

"In the democratic forms of government the operation of universal suffrage tends toward the selection of the average man for public office rather than the man qualified by birth, education, and integrity. How this scheme of administration will ultimately work out remains to be seen, but from a racial point of view, it will inevitably increase the preponderance of the lower types and cause a corresponding loss of efficiency in the community as a whole. (Ed. Note: This was written in 1916. Look at America's urban centers today and note the decreased standards of America's manufactured goods on the domestic market as a result of Negro labor and you can determine the accuracy of Grant's predictions). . . . The tendency in a democracy is toward a standardization of type and a diminution of the influence of genius. A majority must of necessity be inferior to a picked minority, and it always resents specializations in which it cannot share. . . . Mankind emerged from savagery and barbarism under the leadership of selected individuals whose personal prowess, capacity, or wisdom gave them the right to lead and the power to compel obedience. Such leaders have always been a minute fraction of the whole, but as long as the tradition of their predominance persisted they were able to use the brute strength of the unthinking herd as part of their own force, and were able to direct at will the blind dynamic impulse of the slaves, peasants, or lower classes. Such a des-

HERO CHARLES A. LINDBERGH meeting with German Air Marshal Hermann Goering in 1938. He tried to save us from waring with the only power capable of destroying Communist Russia.

pot had an enormous power at his disposal which, if he were benevolent or even intelligent, could be used, and most frequently was used, for the general uplift of the race. Even those rulers who most abused this power put down with merciless rigor the anti-social elements, such as pirates, brigands, or anarchists, which impair the progress of a community, as disease or wounds cripple an individual. True aristocracy is government by the wisest and best, always a small minority in any population.

Red Korean Recruiting Poster Fostering Non-White Unity Against Aryans

The value and efficiency of a population are not numbered by what the newspapers call souls, but by the proportion of men of physical and intellectual vigor. The small Colonial population of America was, man for man, far superior to the average of the present inhabitants, although the latter are 25 times more numerous. The ideal in eugenics toward which statesmanship should be directed is, of course, improvement in QUALITY rather than QUANTITY.... Where altruism, philanthropy, or sentimentalism intervene with the noblest purpose, and forbid nature to penalize the unfortunate victims of reckless breeding, the multiplication of inferior types is encouraged and fostered.... Mistaken regard for what are believed to be divine laws and a sentimental belief in the sanctity of human life, tend to prevent both the elimination of defective infants and the sterilization of such adults as are themselves of no value to the community. The laws of nature require the obliteration of the unfit, and human life is valuable only when it is of use to the community or race. It is highly unjust that a minute minority should be called upon to supply brains for the unthinking mass of the community, but it is even worse to burden the responsible and larger, but still overworked, elements in the community with an ever increasing number of moral perverts, mental defectives, and hereditary cripples. The church assumes a serious responsibility toward the future of the race whenever it steps

in and preserves a defective strain. A great injury is done to the community by the perpetuation of worthless types... A rigid system of selection through the elimination of those who are weak or unfit - in other words, social failures - would solve the whole question in 100 years, as well as enable us to get rid of the undesirables who crowd our jails, hospitals, and insane asylums. The individual can be nourished, educated, and protected by the community during his lifetime, but the state through sterilization must see to it that his line stops with him, or else future generations will be cursed with an ever increasing load of victims of misguided sentimentalism. This is a practical, merciful, and inevitable solution of the whole problem, and can be applied to an ever widening circle of social discards, beginning always with the criminal, the diseased, and the insane, and extending gradually to types which may be called weaklings rather than defectives, and perhaps ultimately to worthless race types... In mankind it would not be a matter of great difficulty to secure a general consensus of public opinion as to the least-desirable, let us say, 10% of the community. When this unemployed and unemployable human residuum has been eliminated, together with the great mass of crime, poverty, alcoholism, and feeble-mindedness associated therewith, it would be easy to consider the advisability of further restricting the perpetuation of the then remaining least valuable types. By this method mankind might ultimately become sufficiently intelligent to deliberately choose the most vital and intellectual strains to carry on the race."

Had the warnings and recommendations of Madison Grant been heeded America might now resemble a Paradise created by the genius of Aryan Man instead of the Living Hell created by revolutionary Freudian-minded Jews and animalistic, frustrated Negro savages. Other great "racist" philosophers of native American lineage were Lothrop Stoddard who wrote "The Rising Tide Of Color" and "The Revolt Against Civilization" and Francis Parker Yockey who penned both the immortal "Imperium" and the "Proclamation Of London". Now we have men of the calibre of Charles Lindbergh (his father, Chas. Lindbergh, Sr., also wrote books exposing the anti-American forces in this country immediately after World War I), Arthur Jensen, and William Shockley daring to question the dictates of the Hebrew Intelligentsia which have bestrided our nation like a colossus since Hitler's defeat in World War II. Truth spells doom for the enemies of Aryan Man. Once the mist of falsehood has been penetrated, Aryan man will awaken, reach for his mighty sword, and liberate his mind, body, and nation from the shackles of Jewish Liberalism and the poisonous myth of Judeo-Christianity !

What The NRP Fights For:

For 21 years the NRP has been fighting to preserve both the American Nation and the White Race. Anyone having even a casual acquaintance with the NRP knows approximately what we believe in? White Supremacy; anti-Communism; anti-democracy, anti-Semitism. But what exactly does the NRP believe in and what do we intend doing upon our inevitable victory? Firstly, it must be realized that the NRP is not an ordinary political party. We do not want a revis-

ion of the present "system". All that now exists is rubbish, and the NRP sees no use in reforming rubbish. We want a total rebirth of the Aryan Race and Aryan culture, and the complete destruction of the present Jew-controlled "system". In place of Protest, Dissent, Pacifism, Feminism, Discouragement, Treason, and Revolution, we want: Silence, Discipline, Military Strength, Authority, Faith, Loyalty, and Order. In place of Black Power, we demand White Power. In place of Jewish Money Power, we demand constructive American Power. In place of Utopian Communism, we affirm the right to own Private Property. In place of reactionary Capitalism, we demand the partial nationalization of industry. In place of International Socialism, we demand National Socialism. In place of the absurdity of democracy and the race-treason of plutocracy, we demand authoritarianism and decisive leadership. Instead of 19th Century nationalism, we demand the political unity of the White Race. Welded together, these points comprise the positive side of the doctrine of Aryan Racial Nationalism.

Your Role In The NRP :

We understand the dilemma of vast numbers of White Americans who sympathize with the Racial Nationalist cause but feel they would be jeopardizing their jobs or families to work "openly" with the NRP. Naturally those who can are urged to immediately sign up in the NRP's uniformed Security Echelon (SE), but for those who absolutely cannot do so, there is an honorable alternative in which you can do your share. There are many things a non-active supporter of the NRP can do to aid the movement, such as: writing letters to your local newspaper expressing the NRP viewpoint on domestic and foreign affairs; calling in to radio talk shows and mentioning the party and its point of view on issues under discussion; purchasing large quantities of recruiting leaflets and mailing or handing them to people in your area; sending us the names and addresses of potential recruits; and placing the "NRP Bulletin" in your local public library etc. Even all this is not sufficient. We need a substantial and regular political commitment from every NRP member in the USA on a monthly basis if we are going to keep up with mounting costs. Never has the NRP distributed as much printed material as during the last 6 months.

Beginning on November 1, 1970 all present subscribers to the NRP Bulletin and political supporters will be asked to become official card-carrying members of this organization. All members will be required to pay \$ 1.00 a month in party dues (small compared to many political movements but if you carry through it will enable us to function on a monthly budget). We must have an income that we can depend upon on a monthly basis in order to plan and carry our effective campaign strategy. This monthly sum of \$ 1 from each NRP supporter can provide a solid financial base for NRP activities. If we are to expand and branch out we must have these funds available and those who cannot afford even \$1 per month for the cause they believe in should get out of political activity. At the end of 3 months, if dues have been paid steadily, you will receive an NRP Thunderbolt Armband and a free subscription to the "NRP Bulletin". Your party membership card will be sent to you at the termination of this 3-month period.

Please forward your initial \$1 monthly membership fee during the month of November. If you wish to continue the upward growth of the NRP do not ignore this vital notice.

A source, who has furnished reliable information in the past, advised that the National Renaissance Party (NRP) headquarters is located at the residence of its Director, JAMES H. MADOLE, Apartment 8, 10 West 90th Street, New York, New York.

NY T-1
June 10, 1971

The NRP was founded in 1949 by JAMES H. MADOLE, National Director. The NRP is headquartered in MADOLE's residence at 10 West 90th Street, Apartment 8, New York, New York. This organization has been described as anti-Negro, anti-Semitic and neo-Fascist.

Literature passed out by NRP members at picket lines, counter-demonstrations and similar activities contained a statement on the bottom indicating that additional information re the NRP could be obtained by writing to "NRP, Post Office Box 10, New York City, New York".

B. Officers

JAMES H. MADOLE, founder of the NRP, continues to serve as President or National Director.

b6

NY

NY T-1
June 10, 1971

The Security Echelon Section of the NRP is described in NRP literature as being the militant fighting arm of the NRP.

C. Objectives

The "National Renaissance Bulletin," the official newsletter of the NRP, in Volume 22, Numbers 1 and 2, dated January and February, 1971, sets forth that the NRP is "a political party devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice".

D. Membership

This source advised that new members to the NRP continue to undergo a three-month probationary period following initial entrance into the organization. If a new member proves acceptable, he is then sworn in as a member of the Security Echelon Section of the NRP.

NY T-1
June 10, 1971

In describing the chain of command in the NRP, individual Security Echelon Section members are responsible to a Section Leader, who in turn is responsible to a Group Leader, who is in turn responsible to the Security Echelon Commander, who in turn is responsible to the NRP President.

NY T-1
June 10, 1971

Source stated that at the present time the NRP has approximately 15 to 20 active members in the New York City area.

NY T-1
June 10, 1971

II. ACTIVITIES

A. Meetings

The NRP continues to hold its general meetings on Sunday evenings at headquarters, Apartment 8, 10 West 90th Street, New York, New York, which is also the residence of NRP Director JAMES H. MADOLE. Speeches are usually given by MADOLE at these meetings advocating anti-Semitic, anti-Negro and neo-Fascist lines.

Source advised that on May 4, 1970, the regular Sunday night meeting of the NRP was held at NRP headquarters. Following the termination of this meeting, outside NRP headquarters, seven NRP members, including [redacted] were attacked by 35 to 40 members of the Jewish Defense League (JDL). The JDL attacked these members with hammers, baseball bats and clubs.

b6
b7C

NY T-1
May 4, 1970

The JDL, founded in 1968, is composed primarily of young Jewish militants who consider themselves as defenders of "Jewish Rights". Demonstrations attempting to dramatize the Jewish problem in Russia, and similar demonstrations against Arab establishments have often resulted in violence. Rabbi MEIR KAHANE, founder and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish the aims of the JDL.

B. Picket Lines and Counter-Demonstrations

On May 1, 1970, Special Agents of the Federal Bureau of Investigation (FBI) observed the NRP engage in a picket line at the northeast corner of Broadway and 17th Street, New York, New York. This picket line was a form of counter-demonstration to the annual "May Day" rally sponsored by the New York District of the Communist Party (CP). Eight NRP members were present carrying posters, some of which read as follows: "No Mercy For Red Traitors," "Join The NRP to Fight Communism," "You Are Living Under Jewish World Government".

On December 14, 1970, the NRP set up a picket line across the street from Madison Square Garden at 32nd Street and 8th Avenue, New York City. The purpose of this picket line was to show and protest to a Jewish fund raising affair then taking place in Madison Square Garden.

NY T-1
December 14, 1970

NY 105-6112

Source advised that JAMES H. MADOLE, NRP Director, made the statement that 15 NRP members departed New York City on April 24, 1971, to travel to Washington, D. C., to participate in a demonstration. The purpose of this travel was to set up a counter-demonstration to the peace demonstrations being conducted in Washington on that same date.

NY T-1
April 25, 1971

On May 1, 1971, Special Agents of the FBI observed seven NRP members set up a picket line on the sidewalk of Union Square East, opposite 16th Street, New York City. The purpose of this picket line was a counter-demonstration against the "May Day" activities being sponsored in Union Square by the CP in New York City at that same time. Those NRP members present formed a circular picket line and carried various signs reading as follows: "Gas Red Jewish Scum," "Keep GIs Out of the Middle East," "No Mercy For Red Traitors".

C. Street Rallies

On June 6, 1970, at the intersection of 2nd Avenue, between 83rd and 84th Street in New York City, the NRP sponsored a street rally. This rally commenced at 6:45 PM and ended at 8:30 PM. Fifteen NRP members were present and four speeches were given. All speeches were basically anti-Jewish and anti-Negro in nature.

Other NRP members present stood at the base of the speakers platform displaying one United States flag and two NRP flags, each carrying the insignia of the symbol of the NRP, a thunderbolt.

NY T-1
June 8, 1970

On June 13, 1970, the NRP held another street rally at the intersection of 84th Street and 2nd Avenue, in New York City. Thirteen NRP members were present for this rally and speeches were given by NRP Director JAMES MADOLE and NRP Secretary GREG LE DUC. Once again, these speeches were basically anti-Semitic and anti-Negro.

NY T-1
June 15, 1970

On June 20, 1970, a Special Agent of the FBI observed nine NRP members conduct a street rally at the intersection of 2nd Avenue, and 84th Street. Speeches were given at this rally alleging that the great percentage of the CP in the United States is made up of Jews, and that the presence of Negro prostitutes on the streets of New York City is ruining society.

On October 24, 1970, Special Agents of the FBI observed a street rally sponsored by the NRP commencing at approximately 7 PM at the northeast corner of Steinway Street and Broadway, in Queens, New York. A sign alongside a speakers platform at this rally stated "NRP - America's White Power Party". Pamphlets were distributed containing the heading "Should American GIs Serve As Cannon Fodder In Another Holy War For The Jews?".

D. Literature Distribution

On June 3, 1970, approximately ten NRP members distributed 5,000 pieces of NRP literature on all four corners of the intersection of 86th Street and 3rd Avenue, New York, New York, between 5 and 7:30 PM.

NY T-1
June 3, 1970

On November 15, 1970, nine NRP members passed out 2,800 NRP leaflets at the Port Authority Bus Terminal in New York, New York.

NY T-1
November 19, 1970

III. FINANCES

Source advised that the major portion of income for the NRP comes from contributions from individuals receiving NRP literature.

IV. PUBLICATIONS

The "National Renaissance Bulletin" continues to be the major publication of the NRP. This bulletin continues to be published approximately every three months and is then mailed to those on the NRP mailing list throughout the country. This mailing list numbers approximately 4,000 people and is maintained by NRP Director JAMES H. MADOLE.

NY T-1
June 10, 1971

On October 24, 1970, the NRP distributed leaflets at a street rally. These leaflets set forth NRP statements some of which are listed as follows:

"Jews' control over newspapers is total . . . they pull the strings through their heavy advertising - Jew department stores, supermarkets, furniture stores, etc.?"

"Jews promote a 'generation gap' amongst gentiles . . . the Jew family sticks very close together, but Jew teachers and professors always encourage non-Jewish children to hate their own parents . . . another way of Jewish sabotage!"

"Every Jew should be investigated and then eliminated from society as soon as possible."
